Report of the Governing Council of NCUI

Dear Fellow Cooperators,

On behalf of the Governing Council of National Cooperative Union of India, I have the pleasure in placing before you the Annual Report of NCUI for the year 2020-21.

During the year under review, the NCUI continued to function as nodal agency of the Indian Cooperative Movement. Its main objectives are to educate, guide and assist its member organizations in strengthening the cooperative sector. A brief report relating to various aspects of cooperative development during 2020-21 is as under :

Membership

At the close of the year, there were 272 cooperative organizations representing various sectors of the cooperative movement as members of NCUI. In the year 2020-21, 4 new members have been enrolled.

Meetings of the Governing Council

During the year, six meetings of the Governing Council were held. No meeting of the Executive Committee was held due to Covid Pandemic. Matters relating to administrative and financial management of NCUI, and various issues confronting the cooperative sector to make it strong and vibrant were discussed in the meetings. The election of the Members of Governing Council was held on 23-11-2020 in which 19 members were elected to the Governing Council for a term of 5 years whereas one seat was kept vacant in views of non-receipt of valid nomination under the said constituency. Consequently the Governing Council elected Shri Dileep Sanghani as President and Dr. Bijender Singh and Shri Shivadasan Nair as Vice President of NCUI. During the year under report, Shri N. Satya Narayana was holding the charge of Chief Executive, NCUI up to 28th February, 2021. On 1st March, 2021, Dr. Sudhir Mahajan, IAS (Retd.) took charge as Chief Executive, NCUI who was selected and appointed by the Governing Council.

Cooperative Education

The National Centre for Cooperative Education (NCCE), New Delhi organised 111 training programmes during the year. All the important and emerging sectors/areas like skill development, women, dairy, consumers, digital technologies, etc. were covered in the training programmes. 4313 persons from various sectors of the cooperative movement in different states, were trained. The syllabus of Diploma Programme on Cooperative Education and Development was upgraded and more paid programmes were organised during the year. Emphasis was placed on organising training programmes for strengthening relatively weaker sectors like labour, fishery, tribal cooperatives, handloom Report of the Governing Council of

NCUI and handicrafts etc. Due to the important role played by women in the development of cooperatives, several programmes were organised exclusively for women participants.

Cooperative Education Field Projects

During the Year 2020-21, the NCUI Cooperative Education Field Projects including North-East and Women Projects conducted wide ranging programmes on various issues of cooperative development. During the year under report, 240 SHGs with membership of 2048 women were formed by the Lady Mobilisers of Cooperative Education Field Projects and total of 3575 SHGs with membership of 32784 have been formed since inception till date. During the year Rs. 22,17,01,549/- was disbursed as loan to members of SHGs for taking up income generation activities. 70 cooperative societies have been registered under various State Cooperative Societies Acts out of the members of SHGs organised by NCUI Cooperative Education Field Projects.

General Cooperative Policies

A Zonal Conference was organised for North East States on 28th October, 2020 in which several important leaders and officials of North Eastern States participated. The conference was inaugurated by NCUI President Dr. Chandra Pal Singh Yadav. The conference came up with wideranging recommendations for strengthening the cooperative movement in the region. Academic assistance to the member institutions was provided as and when needed.

Public Relations and Publications

The 67th All India Cooperative Week was organised from 14th to 20th November, 2020. The theme of the Cooperative Week was Covid Pandemic — Atmanirbhar Bharat — Cooperatives. The inaugural function of the Cooperative Week was held through a webinar organised by NCUI in which Chief Guest was Shri Kadakampally Surendran, Hon'ble Chief Minister of Kerala. The Valedictory Function of the Cooperative Week was organised on 19th November, 2020 in which the Chief Guest was Shri Santosh Kumar Gangwar, Hon'ble Union Minister of State for Labour and Employment, Govt. of India. A special issue of "The Cooperator" was released on the occasion. 21st Vaikunath Bhai Mehta Memorial Lecture of Late Vaikunth Bhai Mehta, a well known cooperative leader, was organised on 19th August, 2020, which was delivered by Shri Govinda Rajulu Chintala, Chairman, NABARD.

International Relations

A webinar was organised on the International Day of Cooperatives 4th July, 2020 by NCUI in collaboration with ICA-AP on the theme of IDC, "Cooperatives for Climate Action" in which Shri Suresh Prabhu, India's Sherpa to G20/G7 was the Chief Guest. An international online training programme on "Training Techniques for Trainers of Rural Financing Institutions" was organised by NCUI in collaboration with CICTAB from 27th to 30th January, 2021, which was attended by 50 participants. An international online training programme on "Project Approach to Cooperative

Development : Sharing Experiences on NCUI Coop Education Field Project" was organised for first time by CICTAB and NCUI from 24th to 27th November, 2020.

Acknowledgments

Our sincere thanks and gratitude to the Hon'ble Minister of Agriculture & Farmers Welfare, Minister of State for Agriculture, Cooperation & Farmers Welfare, officials of the Department of Agriculture and Cooperation for their cooperation and the support given by them, both in the form of Grants and otherwise. We also express our thanks to the representatives of NCDC, International Bodies like ICA, IRU, ILO, NEDAC and FAO, different Ministries, Members of Parliament, State Legislatures and all such prominent persons who took keen interest in the functioning of NCUI. Thanks are also due to the member institutions of NCUI, RCS of different States, State Cooperative Unions and other constituent members of NCUI for their valuable support towards achieving the organizational goals. Our heartfelt thanks to the officers and employees of NCUI for their hard work, dedication and commitment for achieving the objectives of the NCUI in the year of reporting. On behalf of the Governing Council of NCUI

MANAGEMENT

Management Organs of National Cooperative Union of India

The following three organs carry out the management of National Cooperative Union of India:

1. General Body, which comprises of delegates of member institutions of NCUI.
2. Governing Council which comprises of office bearers, elected and co-opted members.
3. Executive Committee, which is a sub-committee of the Governing Council of NCUI.

GENERAL BODY

As per the provision of the Multi-State

Cooperative Societies Act 2002 and bye-laws of NCUI, the General Body of NCUI comprises of one delegate from each member institution. The Annual General Body Meeting of NCUI for the year 2019-2020 was held on 23rd November, 2020 in the Auditorium of National Cooperative Union of India. The General Body deliberated on various issues concerning the cooperative movement in the country.

In the above meeting the election of the members of the Governing Council and office bearers of NCUI was also conducted as the term of the present Governing Council had expired in March 2020. The term of the previous Governing Council expired on 15th March 2020, but due to arbitration proceedings it could not be held on the due date, hence the existing Governing Council continued to hold the office till assuming the charge of office by the newly elected Governing Council as per provisions laid down in the MSCS Act, 2002. Finally, after withdrawal of the petition by the petitioner, the present claim petition was dismissed as withdrawn, and hence arbitration proceedings stood terminated by the order dated 12.06.2020 of the Sole Arbitrator. Accordingly the election took place on 23.11.2020 in which 19 members were elected to the Governing Council for a term of five years whereas one seat was kept vacant in view of non receipt of valid nomination under the said constituency. Consequently the Governing Council elected

Shri Dileep Sanghani as President and Dr. Bijender Singh and Shri K. Shivadasan Nair as Vice-President of NCUI.

GOVERNING COUNCIL

During the year under review, six meetings of the Governing Council were convened on 30.04.2020, 14.07.2020, 16.09.2020, 23.11.2020, 19.01.2021 and 24.02.2021. The Governing Council in its meetings dealt with various matters placed before it in accordance with the bye-laws of NCUI for its smooth functioning. The Governing Council took various decisions for the growth of NCUI as well as for development of the cooperative movement by undertaking such activities which are in accordance with the attainment of the objectives of NCUI.

EXECUTIVE COMMITTEE

During the year under review, no meeting of the Executive Committee of NCUI took place due to the COVID-19 pandemic.

ADMINISTRATION

During the year under report, Shri N. Satya Narayana was holding the charge of Chief Executive, NCUI up to 28th February, 2021. On 1st March, 2021 Dr. Sudhir Mahajan, IAS (Retd.) took charge as Chief Executive, NCUI who was selected and appointed by the Governing Council.

Shri Dileep Sanghani, President, NCUI.

A view of the distinguished gathering on the occasion of NCUI Annual General Body Meeting.

COOPERATIVE EDUCATION FIELD PROJECTS IN UNDER DEVELOPED STATES / AREAS OF THE DEVELOPED STATES OTHER THAN NORTH EASTERN STATES & WOMEN PROJECTS

● Introduction

As a special measure for strengthening the cooperative movement in cooperatively under-developed states / areas and reducing regional imbalance in the level of development, the Government of India approved a scheme of Cooperative Education of NCUI in 1976. This is a central sector scheme funded by the Ministry of Agriculture and Farmers' Welfare.

● Objective

The main objective of the scheme is to develop and promote cooperative societies in project areas and through them to increase the productivity of

farmer members and thus improve their socio – economic condition.

● Approach

Intensive efforts for cooperative development through cooperative education combined with farm / technical guidance are the main ingredients of the project approach. The office-bearers and members of the project adopted societies are motivated and educated to implement the business development plans through their active participation in planning of business activities, operational management and evaluation. Self-help groups are formed by the project personnel to facilitate disbursement of micro – credit and initiating sustainable income – generating activities. Formation and working of these groups is based on cooperative culture. All educational, farm guidance and developmental activities are linked with business development plans of PACS / LAMPS adopted by projects for their overall development.

● NCUI is implementing central sector scheme for the intensification of Cooperative Education through 41 Cooperative Education Field Projects including Women Projects and North Eastern Projects located in cooperatively under developed states / under developed areas of developed states and union territories as detailed given below :

COOPERATIVE EDUCATION FIELD PROJECTS IN UNDER DEVELOPED STATES/AREAS OF THE DEVELOPED STATES OF NORTH EAST

Introduction

As a special measure for strengthening the cooperative movement in North East and reducing regional imbalances, the Government of India has been giving grants to NCUI under Central Sector Scheme to operate 6 Cooperative Education Field Projects in the North East Region which cover the under-developed areas of the region.

50% of the expenditure incurred on these projects is met through the grants received from the Ministry of Agriculture and Farmers Welfare and the balance 50% is met through the funds collected from the cooperative movement in the form of Cooperative Education Fund.

Objective

The main objective of the scheme is to develop and promote cooperative societies in the project areas, to increase the productivity of farmer members, to inculcate the habit of thrift amongst the women members, and to develop skills of the women and youth members thus improving their socio-economic conditions. Each project is given activity-wise targets to be achieved over the course of entire year.

Project Activities

The project activities as earlier mentioned are as follows :

- Educational and Training activities
- Farm / technical guidance activities
- Socio-developmental activities
- Women development activities

Progress

During 2020-2021 all the six projects achieved the set targets and objectives as per the overall guidelines. A total of 22477 participants were trained.

Activity wise and project wise achievements/ progress and highlights of special activities is placed below at Annexure- XII, XIII, XIV, XV, XVI.

GENERAL COOPERATIVE EDUCATION PROGRAMMES/SCHEMES CONDUCTED BY STATE COOPERATIVE UNIONS

Monitoring and Guidance of the Programmes of State Cooperative Unions

In furtherance of its objectives to promote and develop the cooperative movement in India in accordance with cooperative principles, NCUI monitors cooperative education programmes to popularize the principles and practices of cooperation. The overall objective of the cooperative education programme is to create enlightened,

participatory and responsive membership and cooperative leadership; to improve the management efficiency of board members and office bearers of cooperative societies; to provide and develop dynamic and forward looking leadership and to create cooperative awareness among masses particularly youth and women. Presently, three types of Cooperative Education Programmes are being conducted in the country – (1) General cooperative education programme for agriculture cooperatives implemented by State Cooperative Unions; (2) Sector specific cooperative education programmes covering dairy, fishery, women, urban credit, consumer, housing, industrial, handicrafts, forest, and labour contract construction, marketing cooperatives etc. (3) Special cooperative education projects based on area development approach.

General Cooperative Education Programme

The target group of this programme consists of members and managing committee members of primary agriculture cooperative societies and self-help groups wherever they are developed by the concerned state cooperative union at village level. The programme is implemented by state cooperative unions through the adoption of two types of approaches namely; peripatetic approach and intensive approach (cooperative education and development scheme). Under the peripatetic approach, education activities are organised at society level through cooperative education instructors and under intensive approach the cooperative societies in selected blocks and districts are adopted for overall development of cooperatives and the cooperative education of members. The education programme is dovetailed with the developmental activities in the area. Under this approach, a team of educational personnel is deployed to organize the education programme on an intensive basis in an identified area. During the year under report, NCUI continued to monitor the State Cooperative Unions for effectively conducting all programmes. The states implemented cooperative education programmes with peripatetic approach.

Activities covered under Cooperative Education Programme

1. Educational Activities

Under the Cooperative Education Programme the following main educational and developmental

activities are included :

- (i) Orientation course / classes for secretaries/ managers of PACS - 2 weeks
- (ii) Managing committee members class – 5 days
- (iii) Ordinary members and potential members class – 3 days
- (iv) Leadership development programmes – 3 days

2. The activities of the CEDS aim at assisting local societies in :

- (i) Increasing membership.
- (ii) Convening meeting of managing committee and general body regularly with high attendance and securing active participation of members.
- (iii) Providing credit and other inputs required on the basis of real planning of crops and preparing societies to enable them to fulfill the members' needs.
- (iv) Promoting repayment of loan in time out of marketing of sale proceeds through cooperatives / cooperative efforts.
- (v) Enabling societies to move towards self-reliance, assisting them in preparing long term plans of mobilizing deposits and ensuring regular collection of deposits out of sale proceeds of crops.
- (vi) Developing farm /dairy/ poultry/ horticulture etc. guidance services on their own in due course.
- (vii) Diversifying the activities.
- (viii) Utilizing Secretary / Managers and managing committee members for local education work.
- (ix) Undertaking family welfare education activities.

Progress

During the year 2020-21, a total of 2938 training programmes were conducted. In the programmes, 69219 persons were educated / trained including 26588 SC/ST participants and 27277 women participants .

Sector Specific Cooperative Education

Many of the state cooperative unions have diversified their education programmes and organised

cooperative education programmes for other sectoral cooperatives. These programmes were conducted for many sectors i.e. dairy, urban credit, fishery, industrial / weavers, marketing, labour contract and forest labour cooperatives, cooperative law etc. in the rural as well as urban areas in the country.

Cooperative Education Programme for SC/ST and other Backward Classes

Some of the state cooperative unions like Himachal Pradesh and Kerala implemented special education programme for SC/ST's in selected area of the states. Additionally some states organized classes/courses for SC/ST and backward community members / potential members as a part of the on going cooperative education programme. During the reporting year 2020-21, a total of 26586 SC/ST persons and 27277 women were trained.

Cooperative Education Programme for Educationally Backward Minority Communities (15 Point Welfare Programme)

In response to the Government of India's 15 Point Welfare Programme for minority communities in the 40 identified districts, consistent efforts were made to cover minority communities under the on going cooperative education programme. The programme is being implemented through state cooperative unions and cooperative education field projects / units. The benefits of cooperative education programme are provided to the minority communities.

GENERAL COOPERATIVE POLICIES

One of the notable activities of NCUI is to formulate policies and programmes which not only highlight the achievements of cooperatives but also set the directions for future growth of the cooperative movement in India. Another objective is to organize national/state level seminars/workshops on important policy issues related to cooperatives.

Webinar on Cooperative Development for Northeast States

National Cooperative Union of India organized a significant webinar on Cooperative Development for Northeast States on October 28, 2020 in which several important leaders and officials of the North-Eastern states participated

The objective of the webinar was to assess the problems and challenges confronting the cooperative movement of North Eastern Region and to formulate a strategy for strengthening the cooperative movement in the region.

The webinar was attended by Chairmen and Managing Directors of national/state/district level cooperative organisations, Governing Council Members of NCUI, Chairmen of PCC, NCUI Cooperative Education Field Projects, Registrars and other officials of cooperative societies, representatives from various regional cooperative institutions and eminent cooperators etc. of North East States.

Dr. Chandra Pal Singh Yadav, President, NCUI and MP (Rajya Sabha) inaugurated the webinar and addressed the delegates of the webinar. The main speakers included Ms. Valentina Arambam, IAS, Registrar of Cooperative Societies, Manipur and N. S. Wahlang, Deputy Registrar of Cooperative Societies, Meghalaya.

Services provided to Cooperative Societies—Several cooperative institutions approached NCUI regarding the issues faced by them. NCUI examined the issues in detail and extended all possible support to them in solving their problem.

17th Indian Cooperative Congress

Preparatory work for organizing the 17th Indian Cooperative Congress was initiated quite some time back. Unfortunately the 17th Indian Cooperative Congress could not be organised due to COVID-19 pandemic. Compilation of action taken on the recommendations of 16th Indian Cooperative Congress by various organization was undertaken.

Ch. Brahm Prakash Research Scholarship

The objective of Ch. Brahm Prakash Research Scholarship is to encourage youth participation in cooperatives by giving scholarships for research in cooperative development. The division proposed reconstitution of Ch. Brahm Prakash Research Scholarship committee.

INFORMATION TECHNOLOGY

In accordance with the need to adopt IT in education and training, NCUI is emphasizing on conducting member education programmes through online courses throughout the country. Based on response received from various quarters, NCUI intends to conduct more such programmes in future. Considering the importance of the IT Sector, NCUI in recent times has made considerable efforts to strengthen its working by adopting new technologies.

Usage of IT in NCUI

- Most of the computer systems are up-to-date in terms of hardware i.e. i3 or higher and operating systems as well (windows 8.0 or higher)
- Installed Sophos firewall. A firewall is a network security device that monitors incoming and outgoing network traffic and decides whether to allow or block specific traffic based on a defined set of security rules. Firewalls have been deployed as a first line of defense in network security.
- Licensed enterprise antivirus is installed in all computers and laptops for regular monitoring of threats.
- Official website of NCUI (ncui.coop) and official social media platforms (twitter, facebook, instagram and youtube) are properly up-to-date.
- NCUI's website is managed on a regular basis. There is uploading and removal of contents received from various divisions from time to time.
- Managing ncui.coop and india.coop domains on a regular basis.
- Monitoring C-panel of all official email ids.

- Monitoring C-panel of NCUI website.
- Troubleshooting of all hardware and software related complaints received from various divisions from time to time.
- IT Division provides the backend support and conducts all online training programs/webinars conducted by NCUI/NCCE.
- Uploading of data/information is done regularly on NCUI website.

Social Media interface of NCUI

The division regularly updates the information of programmes/events organised by various divisions of NCUI on social media interfaces such as Facebook, Instagram, Twitter and Youtube, the details of which are as under :

- ◆ Photos and videos of the programmes.
- ◆ Bytes of the participants and other esteem guest guests.
- ◆ Brief reports.

Monitoring the Kaspersky Anti-Virus

The division takes care of various security concerns like ensuring safety from attack of intruders, hackers, malware, etc. Kaspersky Antivirus is used for all the systems as a safety measure.

Maintenance of LAN Network, Computer Systems and other Peripherals of NCUI.

The division has continued to provide necessary services for smooth functioning of Internet connection, desktops, printers, UPS and other peripherals installed in various divisions of NCUI.

PUBLICATIONS

"The Cooperator" —Monthly Journal

"The Cooperator" is a monthly Journal of NCUI. It has both English and Hindi sections and provides a regular communication channel to the cooperative fraternity including cooperative institutions. Despite the Covid pandemic which started from end of March, 2020, and disruption in publication services of 'The Cooperator' from April, 2020, in a major initiative, the division decided to prepare an online edition of 'The Cooperator' as a compilation of topical articles from Chairmen/MDs of national federations, experts, academicians, etc. on the vital subject of impact of Covid pandemic on cooperatives. There was a heartening response to this, and an e-edition of 'The Cooperator' comprising of topical articles/papers was released in July, 2020 and uploaded on the website/social media, and through mass e-mailing services, it was sent to all the subscribers and other

cooperative institutions.. Because of disruption in publication services everywhere, and starting of postal services after some time, this e-edition of 'The Cooperator' could be printed only in the month of September, 2020, as a combined edition of all the issues from April till August, 2020. Henceforth, the regular services in printing of 'The Cooperator' from September, 2020 continued.

Special Issue

During the year, the division published a Special Issue of 'The Cooperator' in the month of November 2020 on the occasion of the 67th All India Cooperative Week. The main theme of the journal was based on the Cooperative Week Theme, "Covid Pandemic — Atmanirbhar Bharat — Cooperatives". A good number

of articles were obtained from the Chairmen/MDs of national level cooperative organisations, besides other experts.

Indian Cooperative Review

This is a quarterly research journal of NCUI. The issues for the months of April, July, October 2020, and January, 2020 were printed despite disruption caused due to the Covid pandemic, and due to this, there was some delay in posting the journal to the subscribers. Letters were issued to MDs/ CEOs of cooperative organisations/teaching faculty/academicians/experts, to ensure that a large number of quality articles are received for publication in this journal.

BRIEF REPORTS OF NATIONAL LEVEL
COOPERATIVE ORGANISATIONSINDIAN FARMERS FERTILISER
COOPERATIVE LTD. (IFFCO)Brief Report on the Activities of IFFCO during
2020-21

Indian Farmers Fertiliser Cooperative Limited (IFFCO) is a national level multi state cooperative society incorporated on 3rd November, 1967. IFFCO is the largest fertiliser cooperative engaged in manufacturing and marketing of fertilizer products.

In the year 2020-21, the society has continued its excellent performance in a year affected by global pandemic caused by COVID-19 and unprecedented economic challenges. IFFCO recorded its highest ever sales of fertilisers at 136.58 lakh MT and profit before Tax at Rs. 2,369.78 crore. The paid up share capital of the society stood at Rs. 627.01 crore as on March 31, 2021. The total number of member shareholders (cooperative societies) of the society as of March 31, 2021 was 35,343.

In line with the vision of our Hon'ble Prime Minister Shri Narendra Modi Ji of doubling farmers' income by 2022, IFFCO developed nanotechnology based nano urea (liquid) fertiliser to address the imbalanced and excessive use of conventional urea. This nanofertiliser has been developed indigenously, for the first time in the world at IFFCO-Nano Biotechnology Research Centre (NBRC) Kalol, Gujarat through a proprietary patented technology. IFFCO introduced this innovative product during its Annual General Meeting on 31st May, 2021 across the country. IFFCO Nano urea (Liquid) has manifold benefits such as:

- It has a dynamic advantage due to its nanoscale morphology and surface area to volume size ratio which makes it more impactful. It is thus required in lesser measure compared to the conventional urea fertiliser to fulfil plant's nitrogen requirement.
- Nano Urea is an environment-friendly product, it improves soil, air and water quality thus

helping in addressing the concerns of global warming and achieving Sustainable Development Goals (SDG's) laid down by United Nations

- Cheaper than conventional urea.
- It reduces input cost to farmers, leads to increase in farmers' income.
- Improves crop productivity, soil health and nutritional quality of produce.
- Easy to transport and reduce logistic cost
- Increase farmers' income. This is a step in the direction of Atmanirbhar Bharat and Aatmanirbhar Krishi.

This will bring in revolution in the agriculture world over and the way farmers use fertilisers to grow crops to provide food to millions.

It is a matter of pride that IFFCO is ranked as the No. 1 cooperative in the world. This honour comes to IFFCO based on the ratio of turnover over GDP per capita income in the 2020 edition of the World Cooperative Monitor (WCM) report, designed by International Cooperative Alliance (ICA).

During the year, IFFCO plants bagged top awards from the Fertilizer Association of India (FAI) in various categories including excellence in production, safety, environment protection, and others.

While the nation grappled with pandemic challenges in various ways, all production units of remained operational during the lockdowns and management facilitated work from home for its employees. Further, with its advanced IT infrastructure, IFFCO conducted all business meetings and the audit through virtual mode for smooth functioning. In addition to this, IFFCO has shared the burden of farmers by reducing the price of its NP fertilisers by Rs. 50 per bag. IFFCO, with the help of e- Bazar digital platform *has helped*

farmers by offering retail agri inputs at farmer's doorstep through more than 12000 retail outlets.

IFFCO launched its '**Break the Corona Chain**' campaign across India. The focus of this campaign was to educate the farmers about the transmission of the virus, equip them with masks and sanitizers and spread the message of hygiene and social distancing. IFFCO's field staff in various states distributed masks, vitamin-c tablets and soaps to farmers, farm labourers and truck drivers.

Through its unique humanitarian efforts at ground zero, IFFCO organized relief and awareness camps at over 5000 locations across India. In these programs, IFFCO reached out to nearly 12 lakh people and distributed more than 30 lakh Vitamin-C tablets, over 5 lakh medicated soaps, over 5 lakh masks, over 2 lakh sanitizers, over 50,000 gloves, over 50,000 gamachhas and a lot of medical kits. In addition, 1 lakh ration kits (containing Rice, Pulses, Spices and cooking oil) and 6 lakh food packets, 10,000 Biscuits/ Groceries have also been distributed to migrant laborers, workers and needy families at various locations including the national highways in Bihar, U.P and Punjab. In addition, during the winter season more than 1 lakh blankets were distributed to orphanages, old age homes, poor people, farmers, society members, labourers and local villagers.

Cooperative and Rural Development Through Various Initiatives

IFFCO in its efforts towards rural and cooperative development continues to fulfill Corporate Social Responsibility through its promoted organisations / different programmes such as:

◆ **IFFCO Kisan Sewa Trust:** This is a charitable trust created out of joint contribution from IFFCO & its employees to provide relief and rehabilitation to the victims in the event of natural calamities. The Trust expanded its scope by providing financial assistance to the farmers living below poverty line for their critical medical treatment and education scholarship for higher studies to the children of poor and needy farmers.

◆ **Indian Farm Forestry Development Cooperative Limited (IFFDC):** IFFCO promoted a separate multi-state cooperative society with the prime objective to conserve environment and mitigate climate changes through sustainable natural resource

management for enhancing the socio-economic status of rural poor, tribal community and women in particular. So far, 29,421 hectares of wasteland has been developed as multi-purpose forests. These forests are catering to the needs of the community and helping them in mitigating climate change. Presently, IFFDC is implementing projects on farm forestry, integrated watershed development, climate proofing, rural livelihood development, women empowerment, CSR etc. For women empowerment, Self Help Groups (SHGs), for skill and microenterprises development which have 94% women members are nurtured.

◆ **Cooperative Rural Development Trust (CORDET) :** has been promoted by IFFCO with an objective to promote rural development. It is engaged in providing training to farmers on various aspects of farming and animal husbandry by establishing model farms.

◆ **Farmers Extension Activities:** Various promotional and extension programmes on latest agri-technology were organised with farmers for balanced use of bio fertilisers, agro chemical etc. to enhance crop productivity through efficient use of fertilisers, water conservation etc.

◆ **Save the Soil Campaign:** The society has continued the "Save the Soil" campaign with emphasis on soil rejuvenation and crop productivity enhancement, by undertaking various activities and also assisted farmers by providing financial assistance for installation of biogas plants.

◆ **Village Adoption programme:** The village adoption program was initiated by IFFCO with an objective to bring about overall socio-economic development in villages for sustainable agriculture development with particular emphasis on balanced use of fertilizers, quality seeds and better farm management. Various promotional, social and community development programs, medical and veterinary check-up campaigns, training programs for rural women etc., were organized in 228 adopted villages during the current year. Additionally, in order to promote and disseminate the appropriate technologies among the farmers in large areas, Farmers Friend Clubs have been formed in the districts. Regular meetings and support for advanced agriculture inputs (water soluble fertilisers, bio-fertilisers and Sagarika) as well as sharing of latest technologies are being done with the members of

Farmers Friend Club.

◆ **Neem Plantation and Development of Improved Variants:** IFFCO has undertaken a project on Induction, evaluation and development of polyploids in Neem (*Azadirachta indica*) in collaboration with the Forest Research Institute (FRI), Dehradun since June 2015. The society has also undertaken 'Neem Plantation Campaign' during 2020-21. Neem saplings were provided free of cost for plantation at fields, schools, cooperative premises, residential areas etc. in different States.

◆ **Dividend:** IFFCO has paid the maximum

permissible dividend of 20% of paid up equity share capital for the twentieth consecutive year to its member societies.

◆ **Information and Communication Technology:** IFFCO through its advanced IT infrastructure provided reliable *work from home infrastructure* to the employees during the COVID - 19 pandemic and also has provided support to 6600 online meetings, conferences and webinars for smooth functioning of work.

The following are the performance highlights of IFFCO for the year 2020-21.

NATIONAL AGRICULTURAL COOPERATIVE MARKETING FEDERATION OF INDIA LTD. (NAFED)

NAFED's Role in Agricultural Marketing in India

NAFED, a Multi-State Federal Cooperative Society was established on October 2, 1958 under Bombay Cooperative Societies Act 1925, presently deemed to Be Registered under Multi-State Cooperative Societies Act 2002. The objective of the NAFED is to organize, promote and develop marketing, processing and storage of agricultural, horticultural and forest produce with the overall aim of providing a ready market to farmers and preventing

their exploitation at the hands of private trade. The core competence of NAFED is procurement of agricultural commodities directly from the farmers through the cooperative network spread all across the country. The vast reach and infrastructure is the main strength of NAFED apart from its expertise in procurement and marketing of agricultural commodities. NAFED is the only organization in the country which has the experience and capability to procure, handle and market all agricultural commodities cultivated anywhere in the country.

The Structure and Strength of NAFED

NAFED has its presence in all states of the country through its network of branches/sub offices/

member cooperatives. NAFED has its reach in the remotest of locations in all states and union territories through its three tier structure consisting of primary cooperatives at the bottom, state level cooperatives in the middle and NAFED at the top level. There are 945 members of NAFED as of 31.03.2021

Some of the important activities/initiatives undertaken by NAFED during 2020-2021 are listed as below:

■ **NAFED's response to Covid-19:** During the Covid-19 pandemic, NAFED rose to the occasion to provide food to the needy. GOI entrusted NAFED with the challenging task of supplying milled/cleaned pulses under PMGKAY scheme to the states/UTs for onward distribution to the beneficiaries. NAFED supplied about 1.50 million MT of milled/whole pulses and 34,449 MT whole Channa to all the 36 States / UTs across the country for distribution to the poor under this extremely challenging operation amidst the pandemic. NAFED also supplied 33,744.95 MT whole chana to migrants under the Atmanirbhar Bharat scheme during the pandemic.

■ **Procurement of oilseeds and pulses under Price Support Scheme:** NAFED is one of the nodal agencies of Govt. of India for procurement of oilseeds and pulses under PSS. Under the scheme, procurement of stocks is organized directly from the farmers at the declared MSP to provide remunerative prices to farmers for their produce. The total quantity of pulses under PSS / PSF and oilseeds under PSS procured by NAFED during the financial year 2020-2021 was to the tune of around 35.23 Lakh MT valuing approx. Rs.17,240 crores including perennial crop of copra.

■ **Supply of Food Aid kits to Govt. of Uttar Pradesh :** NAFED organized emergent supply of 37,700 kits of varied grocery items worth Rs. 2.79 crores to UP Govt. for distribution as relief to the migrant workers in Noida district of the state. The supplies were made at short notice amid the ongoing COVID-19 pandemic at a time when all other suppliers were not in a position to organize such volume in limited time.

■ **NAFED to store 25,000 MT of Onion in MAHA ONION complex (PPP-IAD-Project) :** NAFED has executed a joint venture, Maha Onion, with Maharashtra Farmers Producer Co. Ltd. with the aim to create 25,000 MT capacities for long term storage

of onion to reduce losses and provide alternate marketing facilities based on hub and spoke model outside APMC markets.

■ **Working with Farmer Producer Organisations (FPOs):** NAFED has been appointed as national implementing agency under the mission for formation of 10,000 Farmer Producer Organizations (FPOs) by the Ministry of Agriculture and Farmers Welfare (MoA&FW), Government of India. NAFED has taken over the Federation of Indian FPOs and Aggregators (FIFA) with an objective to support the farmers by providing them market linkages and post harvest infrastructure. FIFA has been specifically set up to provide incubation support to Farmer Producer Organizations (FPOs) which includes cooperative societies and farmer producer companies. FIFA has more than 600 FPOs as its members. FIFA will work extensively to support the FPOs by linking them to markets for agri-produce as well as supply of quality agriculture inputs and their capacity building. NAFED has also launched e-Kisan Mandi at Pune and plans to open 100 such *mandis* pan India.

■ **International market initiatives of NAFED:** As per instructions of Ministry of External Affairs, Govt. of India, NAFED organised supply of various agri-commodities, household and other items to several countries as humanitarian AID in a *time-bound manner*. These include Bangladesh, Syria, Zambia, Zimbabwe, Malawi, Namibia etc.

■ **NAFED's intervention in J&K to promote long term sustainable development of horticulture:** NAFED provided respite to apple growers in Kashmir by undertaking purchase of apples in the Valley under the Market Intervention Scheme on the direction of Govt. of India amidst most challenging conditions. A total quantity of around 15,589 MT (10.64 lakh boxes) valued at procurement cost of around Rs.69 crores of different varieties of apples like delicious, american and maharaji were procured at the centres of Anantnag, Sopore, Srinagar, Shopian and Kulgam. NAFED has also executed an MoU on 1st January, 2021 with Govt. of J&K in the presence of the Hon'ble Lt. Governor for long term sustainable development of horticulture in the region.

■ **Supply of Pulses to Army and State / UT Governments under different welfare schemes :** NAFED was authorized to supply pulses to the forces

as per decision taken by the Cabinet Secretary. A quantity of 38,531 MT of milled pulses was supplied to the Army and the Central Para Military Forces (CPMFs) out of the existing buffer stock of pulses (whole & milled). NAFED also continued to supply milled / cleaned pulses for their different welfare schemes such as ICDS, MDM, PDS out of national buffer. A quantity of around 4 LMT of pulses was supplied to the states of Arunachal Pradesh, Kerala, Rajasthan, Goa, Gujarat, Telangana, Mizoram, Uttar Pradesh, West Bengal, Orissa, Manipur, Lakshadweep etc. during the year.

■ **Several retail outlets of NAFED Bazaar opened at prime locations in NCR Delhi and across the country :** A chain of "NAFED Bazaar" outlets are operating in Delhi and a few other cities. Along with NAFED brand pulses, tea, spices, rice, dry fruits etc., these outlets are also selling grocery items of other popular brands with a view to offer wholesome solutions to customer needs.

■ **Buffer stocking of onion and release of stock to check onion price rise:** NAFED also creates and manages the buffer of onion on similar lines as pulses as per the directives of GOI to stabilize the volatility of onion prices in the wholesale and retail markets.

■ **Implementation of NADCP Programme:** In October 2019, Hon'ble Prime Minister launched the National Animal Disease Control Programme (NADCP) valued at Rs.12,652 crore and aimed at vaccination of livestock against protection from FMD and Brucellosis diseases over a period of five years. Under this programme, NAFED has to deliver 925 million doses of FMD vaccines, 5000 lakh crore ear tags and 3.60 crore doses of Brucella to 15 states/UTs across the country and further supplies are continuing. The scheme is under implementation all across the country.

■ **A Multi Portal Management System:** has been designed for ensuring time precision up-to milliseconds for same auction running across multiple portals in real-time by IT Division of NAFED.

■ **An MoU signed between NAFED and CWC to provide warehousing services to farmers and stakeholders :** for providing the scientific integrated warehousing services to farmers including handling, transport & value added services for proper upkeep of NAFED procured stocks and commodities.

KRISHAK BHARTI COOPERATIVE LTD. (KRIBHCO)

Brief note on the activities of KRIBHCO 2020-21

Krishak Bharati Cooperative Limited (KRIBHCO), a national level multi state cooperative society, was incorporated on April 17, 1980 and is presently registered under Multi State Cooperative Societies Act, 2002. The main objective of the society is to produce and distribute quality agriculture inputs mainly chemical fertilizers, seeds, bio fertilizers through cooperatives and institutional agencies across the nation.

During the Financial year 2020-21 the society's plants at Hazira, Surat in its 35th year of commercial production achieved the production of 14.02 lakh MT ammonia & 23.23 lakh MT urea which corresponds to capacity utilization of 112.43 % for ammonia and 105.87% for urea. In addition, the society produced 8.50 lakh liters of liquid bio-fertilizer, 14.024 lakh MT of surplus ammonia, 5332 thousand NM³ liquid argon and 1.75 lakh quintals of certified seeds.

The total membership of KRIBHCO consists of 9472 cooperatives societies and paid up share capital of the Society was Rs.388.85 crores as on 31st March, 2021. The Board of Directors of the society have recommended for the year, the dividend of 20% on the paid up share capital. The society has posted ever highest profit before tax of Rs. 513.13 crore. The networth of KRIBHCO has increased from Rs. 3250 crore in FY 2019-20 to Rs. 3557 crore as on 31st March, 2021.

KRIBHCO has recorded third highest market share of Urea sales in the country and has achieved 42.77 Lakh MT Urea sales during the year. It consisted of sales of 23.79 lakh MT of KRIBHCO Urea, 5.05 lakh MT of OMIFCO Urea, 11.08 lakh MT of KFL Urea and 2.85 lakh MT of Government account urea during the year. The society imported 6.97 lakh MT of DAP, 1.51 LMT of NPK 10-26-26, 1.24 LMT of NPK 12-32-16, 2.29 lakh MT of NPS20-20-0-13 and 0.66 lakh MT of MOP. A total quantity of 12.35 lakh MT 'P' & 'K' fertilisers was handled during the year, which is ever highest for the Society in a financial year.

Apart from the above, KRIBHCO managed to sell 70679.20 MT of surplus ammonia and 5428.93 thousand NM3 liquid argon during 2020-21.

The Society successfully completed the 16th consecutive year of handling and marketing of OMIFCO urea under the agreement with Department of Fertilizers, Government of India. During the year 2020-21, a quantity of 4.14 lakh MT granular urea was handled at five Indian ports. The Urea Off-take Agreement between Department of Fertilisers, Government of India and OMIFCO expired in July 2020.

The seed multiplication programme of the society was initiated in the year 1990-91 to provide high quality seed of major crops to farmers and has set up 11 modern seed processing plants located at various states. During 2020-21, the society produced 1.75 lakh qtls. and sold the entire quantity of certified seed of various crops.

To enhance the agricultural productivity by providing quality hybrid seeds of appropriate characteristics to the farming community, Society has tied up with a leading hybrid seed company for marketing of their produce through society's marketing network in KRIBHCO's own brand. During the FY 2020-21, the society sold 50026 packets of Bt. cotton, 245 quintals of paddy hybrid, 2468 quintals of paddy research, 4936 quintals of hybrid maize and 60 quintals of hybrid bajra seeds.

The society is presently producing 10 types of bacterial strains of liquid bio-fertilizers and during the year 2020-21, KRIBHCO sold 8.30 lakh litres of liquid bio-fertilizers, keeping in view its appreciable response due to its longer shelf life, survival at higher temperature, easy application and low prices.

KRIBHCO is constantly educating farmers about the benefits of application of compost, which improves organic carbon in the soil and has sold 65,790 MT of city compost during the year 2020-21.

The society is operating 62 of its own outlets known as Krishak Bharti Sewa Kendra (KBSK) in the states of Uttar Pradesh, Haryana, Punjab and Madhya Pradesh. These centres are society's own retail outlets located in the countryside to cater to the farmers' needs for quality agro-inputs at a reasonable price at their doorstep. KBSKs are also instrumental in transmitting to the farming community

the latest technical knowledge of agricultural practices.

Society, having a dedicated team of agricultural professionals, continued its efforts towards transfer of latest farm technology to the farming community. The Society organized over 5401 programmes such as farmers meetings, field demonstrations, field days/ crop shows, cooperative conference, and group discussion etc., benefiting 2.34 lakh farmers and cooperative officials in its area of operation. NATIONAL FEDERATION OF URBAN COOPERATIVE BANKS AND CREDIT SOCIETIES LTD. (NAFCUB)

The National Federation of Urban Cooperative Banks and Credit Societies Ltd. (NAFCUB) is the apex level promotional body of urban cooperative banks and credit societies in the country. As of 31st March 2020, there were 1541 urban cooperative banks out of which 54 were scheduled banks including 31 multi state urban banks, 23 single state multi state cooperative banks and 1433 non scheduled banks. Its main objective is to promote the urban cooperative credit movement and protect the interests of the sector. The Federation was registered as a multi-state cooperative society on 17th February, 1977. The registered office of the Federation is in Delhi.

The area of operation of the Federation is whole of the country. It represents around 1541 urban cooperative banks and 50,000 cooperative credit societies functioning all over India. As of 31st March 2021, the total membership of NAFCUB is 1778, out of which 986 are urban cooperative banks and 770 cooperative credit societies are members of NAFCUB. There are 22 state federations/associations in the urban cooperative credit sector and all are members of the national federation.

Activities of NAFCUB during the year 2020-21

The Financial Year 2020-21 started with the lockdown in the country on account of outbreak of Covid-19. This resulted in slow down of the economy and people were availing the work from home facility. However, NAFCUB being an apex body of urban cooperative banks and credit societies was actively involved in placing the issues concerning the sector with the regulators - Reserve Bank of India, Central Registrar of Cooperative Societies and Registrar of Cooperatives Societies as also with other authorities - Ministry of Finance, Ministry of MSMEs etc., for their consideration and necessary action in resolving these issues. NAFCUB is committed to work towards building a strong and viable urban cooperative

Shri Jyotindra Mehta, Chairman, NAFCUB speaking on the occasion of AGM held by NAFCUB..

banking and credit system across the country. NAFCUB, which is an effective voice of the sector, is making every effort with the RBI to provide a level playing field for the urban cooperative banks.

Umbrella Organization for UCBs

Keeping in view the recommendations of various RBI Committees/Working Groups in the past and NAFCUB's Steering Committee Report, RBI had conveyed its regulatory approval for formation of UO by NAFCUB in June 2019. NAFCUB has since then undertaken the task of setting up of the UO in right earnest and a company by the name of Apex Coop. Finance and Development Company Ltd. has been promoted by NAFCUB in the name of **National Cooperative Finance and Development Corporation Limited** as approved by the Registrar of Companies in August 2020.

Issues Related to Urban Cooperative Banks

Banking Regulation Amendment Bill 2020 and Constitution of Board of Management (BOM) in Primary (Urban) Co-operative Banks (UCBs)

NAFCUB has written to RBI Governor, Deputy Governor to withdraw the instructions on constitution of BOM in UCBs as the amendment carried out through enactment of Banking Regulation (Amendment) Act 2020 in June, 2020, provides the same powers to RBI to regulate the cooperative banks as it has in regulating the commercial banks.

Pursuant to the recent enactment of amendments to Banking Regulations Act 1949, NAFCUB had requested the Hon'ble Union Finance Minister and Governor, RBI that the views of the sector should be considered before issuance of regulatory instructions and implementation of the provisions of the amendments in the Act as also to ensure that cooperative character and democratic functioning of the cooperative banks is not affected.

Considering our request, RBI has constituted an Expert Committee to go into various issues of urban cooperative banks, including the implementation of the amendments, with a view to strengthen the sector. Sh. N.S. Vishwanathan, former Dy. Governor RBI is its Chairman and NAFCUB is one of the members of the Expert Committee.

Voluntary Transition of Primary Urban Cooperative Banks (UCBs) into Small Finance Banks (SFBs)

RBI Governor has been requested to withdraw the circulars on voluntary transition of primary urban cooperative banks (UCBs) into small finance banks (SFBs) as permitting transition of UCBs into SFBs is in violation of the provisions of Cooperative Societies Acts of all the states as also the Multi State Cooperative Societies Act 2002. Moreover, it is also a violation of cooperative principles and provisions of the Constitution of India.

Inclusion of all Urban Cooperative Banks as Lending Institutions under CGTMSE Scheme

Since long, NAFCUB has been regularly requesting Ministry of MSMEs to include all UCBs as lending institutions under CGTMSE scheme of Govt. of India. With our persistent efforts, the Ministry via its circular letter dated March 3, 2020 has included all urban cooperative banks (scheduled and non-scheduled) as lending institutions under CLCSS, CGTMSE and ISS. As a majority of UCBs do not meet one of the important criteria of having DTL of Rs.750 cr. to become lending institutions, NAFCUB has requested the Minister of Finance and Credit Guarantee Fund Trust for Micro and Small Enterprises to provide relaxation in this regard.

Formation of Parliamentary Cooperative Forum

In the Annual General Meeting of NAFCUB held on December 30, 2021, it was felt that a Parliamentary Forum of all members of Parliament associated with the cooperative banking and credit sector be formed in order to provide legislative support and recognition to the urban cooperative banking sector. Sh. Nitin Gadkari, Hon'ble Union Minister for Road Transport & Highways and MSMEs has been requested to chair the Forum.

Claim for deduction to Cooperative Credit and other Societies under Section 80P of Income Tax Act, 1961

Cooperative credit societies are allowed to avail deduction under 80 AC of the Act under the heading "C- Deductions in respect of certain incomes" on filing the returns of income by due date. Due to the pandemic situation across the country, the societies were not able to file the return of income by due

date. The Finance Minister was requested to permit cooperative institutions to file belated return of income and not to restrict to the due date given in the Act.

Prohibition of declaration of dividends by all banks

RBI had prohibited all banks from declaring and paying dividend to their customers. With the persistent efforts made by NAFCUB in this regard, RBI has now removed the restriction and permitted UCBs to pay dividend for the year ending 2021.

Resumption of new branch licensing of urban cooperative banks

It is requested to RBI that instead of imposing fresh pre-conditions like having BoM in place or any other condition that the Regulator may think of imposing, the process of licensing of new branches be resumed without any further delay.

Sharing of Government Business among banks

The Union Finance Minister has been requested that approval be given for at least all scheduled urban cooperative banks and scheduled state cooperative banks to undertake government business. All these banks are equipped with technology which is at par with those of commercial banks and this can enable them to handle the government business efficiency.

Issues Related to Cooperative Credit Societies

A submission to the Hon'ble Union Finance Minister was given on the difficulties faced by cooperative credit societies which are working at the grass root level and have problems due to certain provisions of the Income Tax Act, 1961.

H.R. Initiatives

Webinars/Training Programmes/Round Table

The Federation during the year organized 28 webinars/training programmes in collaboration with Reserve Bank of India, College of Agricultural Banking, Pune, National Centre for Cooperative Education, and Member State Federations of Urban Cooperative Banks for the benefit of urban cooperative banks particularly for smaller urban banks, Mahila banks and cooperative credit societies on the important topics of cyber frauds, digital

banking and cyber security, cyber insurance, credit management, financial management, corporate governance, etc.

Publications

"Fortnightly News Letter and Quarterly Journal Urban Credit"

The Federation is regularly publishing two of its flagship publications (i) quarterly journal "Urban Credit" and (ii) fortnightly newsletter "Coop Banking". Both these publications are very popular with subscribers and contain useful reading material. We have also started publishing our Newsletter on electronic mode titled 'e-coop Banking which is being circulated to all the urban cooperative banks, credit societies, all national level cooperative institutions, RBI and government departments through email.

NATIONAL COOPERATIVE DAIRY FEDERATION OF INDIA LTD. (NCDFI)

NCDFI celebrated the Golden Jubilee Year this fiscal year, which marks fifty glorious years of a wonderful journey of this great institution. However, as the country has been reeling under the Covid-19 pandemic, things have remained far from normal all through the year 2020-21 and we continued to traverse an unparalleled set of challenges resulting from the extraordinary times owing to the pandemic. Nevertheless, the NCDFI continued to coordinate the sale of milk and milk products to institutions, facilitated online transactions of various commodities at NCDFI eMarket and worked for genetic improvement of the cattle. NCDFI also continued to utilize part of its surplus in the developmental activities.

Institutional Sale

During the year 2020-21, the NCDFI continued to coordinate the sale of milk and milk products to Institutions such as Defence forces, Indo-Tibetan Border Police (ITBP) and Indian Railway Catering and Tourism Corporation (IRCTC). Some of the key achievements of NCDFI in this domain are presented below.

Supplies to MoD and ITBP

During the year, NCDFI coordinated the supply of milk and milk products to 327 Army Supply Corp

Depots, 43 Indian Air Force, and 3 Indian Naval Services Units under the Ministry of Defence. Further, the requirement of milk products of Indo-Tibetan Border Police was also met by the member cooperatives of NCDFI.

Amul, Mahanand, Nandini, Saras, Verka, Visakha and Warana brand UHT Milk was supplied to MoD. Milk product supplies were allocated to Alwar, Bengaluru, Jaipur, Kaira, Ludhiana, Mehsana, Rohtak, and Warana Milk Unions; Mother Dairy Bengaluru and Nandini Hi-Tech Plant Channarayapatna. 114 cooperative dairies spread across the country participated in the milk and milk products supply. Contracts concluded during the year were worth Rs. 1,407 crores.

Supplies to the Indian Army and other armed forces have always been considered a matter of great pride. Apart from the privilege and business interest, cooperatives that have been consistently supplying to the Indian Army have had tangible and intangible benefits. Apart from serving the purpose of having an assured market, it has helped in capacity building, consistently improving the quality of products, creating goodwill, and expanding markets.

NCDFI eMARKET

Adoption of technology and its application to ensure better returns to dairy cooperatives and in turn to milk producers has been the prime focus of NCDFI. During the year 2021, eAuctions for milk and milk products were continued at NCDFI eMarket. Further, services are extended for procurement of cattle feed ingredients, fodder seeds, edible oils, packing materials, chemicals, sugar, etc. During the year, NCDFI eMarket also extended its services to various service contracts such as hiring labor, transport, godown hiring, canteen services, etc.

Introduction of New Auction Formats

NCDFI eMarket introduced three new auction formats during the year 2020-21. The 'Price Validation Auctions' facilitates large trade volumes with undisclosed traded prices to protect market sentiments and assures guaranteed trade conclusion at the equilibrium price. Then, the 'Price Discovery Auctions', was introduced to discover the fair market price, broader participation ensuring competitive price discovery, and faster turnaround time with no manual intervention. Lastly, NCDFI eMarket

announced another auction format, 'Forward Auctions (Mini)', to cater to the requirement of our dairy cooperatives who wish to offer smaller quantities.

Dairy Commodities

The transacted volumes at NCDFI eMarket during 2020-21 were 49,431 MT SMP, 21,762 MT Butter, 5,183 MT WMP, 1,720 MT While Powder, 707 MT Cheese, 230 MT Ghee apart from 3.21 crore liters of Raw Chilled Milk (RCM) and 1.03 Crore liters of Separated Skimmed Milk (SSM). These transactions were done at NCDFI eMarket through various types of auctions, i.e., 'Forward Auctions', 'Auction Sale' and 'Reverse Auctions'. Brands that participated in the NCDFI eMarket auctions were Aarey, Aavin, Amrut, Amul, Devbhog, Devgiri Mahanand, Gokul, Krushna, Maahi, Mahanand, Medha, Milma, Mother Dairy, Nandini, Parag, Rajhans, Sagar, Sanchi, Saras, Sudha, Verka, Vijaya, Vikas, Visakha Dairy, Vita and Warana.

The dairy cooperative members are actively offering their dairy commodity in bulk through the NCDFI eMarket platform. Their decision has resulted in higher sale proceedings as the system determined the prices considering the supply and demand scenario, especially in volatile markets. During the year, various dairy cooperative brands, mainly Aavin, Gokul, Mother Dairy, Nandini, Sanchi, Saras, and Verka offered different dairy products for sale on the NCDFI eMarket platform. The dairy cooperatives could earn cumulative additional revenue through these trades to the tune of Rs.7.45 crores.

Cattle Feed Ingredients

Besides the sale of milk and milk products, NCDFI eMarket also facilitates the procurement of all required agri commodities for cattle feed plants. During the year, 32 cooperative cattle feed plants in the states of Andhra Pradesh, Assam, Bihar, Goa, Gujarat, Haryana, Himachal Pradesh, Jharkhand, Karnataka, Kerala, Madhya Pradesh, Maharashtra, Orissa, Tamil Nadu, Telangana, Uttar Pradesh, and West Bengal procured required cattle feed ingredients through NCDFI eMarket. A large and diversified supplier base facilitates the cooperatives to get the required raw materials in time with competitive prices. Hence, many cattle feed plants are in the process of procuring raw materials through NCDFI eMarket. NCDFI eMarket additionally offered

support for procurement of sugar, edible oils, packing materials, compound cattle feed, fodder seeds, chemicals apart from scrap sales, and concluded service contracts as hiring of labour, transport, godown hiring, canteen services, etc.

Increased Transparency

NCDFI is consistently making efforts to update the Android application and have released updated versions of NCDFI eMarket periodically, which enabled the users to remain updated with customized auction information on a real-time basis. Further, NCDFI eMarket is publishing the results of eAuction in monthly 'Activity Report' which is circulated to all members and is also available on the mobile application and webpages of NCDFI eMarket. It gives larger publicity to the concluded trades and prices for different products apart from the information on newly introduced commodities and services on NCDFI eMarket platform, which further helps cooperative buyers to get the products and services at much competitive prices.

NCDFI eMarket has started releasing a monthly "Market Research Report" on selected commodities in association with Agriwatch.com, this year. Agriwatch is a leading market research organization that has a long association with the Indian agribusiness sector.

Members

The total registered members on NCDFI eMarket platform were 2,706 as of March 31, 2021, representing participation from across the country. During the year, due to the Covid-19 pandemic, NCDFI organized most of the meetings virtually with its members through video-conferencing.

Transacted value

During the year 2020-21, total business transactions at NCDFI eMarket were to the tune of Rs. 3,177 crores consisting of liquid milk and value-added dairy products worth Rs. 1,940 crores, cattle feed ingredients worth Rs. 773 crores, sugar worth Rs. 44 crores, packing/packaging materials worth Rs. 241 crores and Rs. 179 crores worth of other miscellaneous products and services.

Genetic Improvement

To provide better access of good quality semen doses to the milk producers in the country, NCDFI

has partnered with NDDB Dairy Services for the distribution of frozen semen doses (FSDs) produced by Sabarmati Ashram Gaushala (Gujarat), Animal Breeding Centre (Uttar Pradesh), Alamadhi Semen Station (Tamilnadu), Rohtak Semen Station (Haryana) and Rahuri Semen Station (Maharashtra). These semen stations are either owned or managed by the NDDB Dairy Services. During the year 2020-21, the combined sale from all these semen stations was 3.44 crore FSDs valued at Rs. 77 crores.

Total Business Transacted

We are pleased to inform that during the year 2020-21, cumulative business transactions conducted by the NCDFI amounted to Rs. 4,661 crores which was 37% higher as compared to the previous year. This includes milk and milk product sales to Institutional buyers worth Rs. 1,407 crores, NCDFI eMarket transactions worth Rs. 3,177 crores, and the sale of frozen semen doses worth Rs. 77 crores.

Developmental Activities

Being an apex body of dairy cooperatives in India, NCDFI foresees the requirement to utilize part of its surplus in spreading awareness among dairy cooperatives, specifically in the areas of clean milk production, cooperative governance, productivity of animals, artificial insemination, ration balancing, etc., and to train manpower to enhance their performance and productivity. Most of the programs and events were either kept on hold or canceled due to the health and safety concerns of the participants due to the corona pandemic.

Management Development Programme

NCDFI sponsored a 3-day Management Development Program (MDP) in association with the Regional Institute of Cooperative Management (RICM), Bengaluru on Electronic Markets for the senior officials of cooperative dairy unions/federation at Coorg, Karnataka. To spread awareness on artificial insemination, NCDFI set up stalls at various exhibitions and farmers' fairs across the country. This year due to pandemic, NCDFI could only set up stalls at two farmer fairs in the states of Tamil Nadu and Odisha. The consistent engagement of NCDFI with its members coupled with developmental initiatives provide an opportunity for NCDFI to get valuable feedback from participants on issues pertaining to

procurement, processing, marketing, governance, policy, etc. NCDFI is continuously working on the feedback received from the participants to address the needs of member cooperatives.

Manpower Development

During the year, NCDFI organized a Certification Programme on 'Soft Skills Development' for 25 officials of NCDFI in association with VAMNICOM, Pune. Apart from this, NCDFI employees were also nominated to attend various online training programs and webinars organized by premier institutions to help them be updated with the latest developments in the industry. NCDFI continued to liaison with the Government on various policy issues. NCDFI will continue to engage with the ministries like Defence, Agriculture, Cooperation, and Railways on various pertinent issues of the cooperative dairy sector. Consistent support and inputs of members for working out a continuous strategy for liaising with various Government authorities will immensely benefit us to take up the relevant policy matters.

Contribution in the Research and Development

Research and development are the building blocks in the creation of new knowledge. NCDFI has been supporting training research and publication of the literature on the matters of dairy interest and encourages collaborative efforts between organizations for the same. As NCDFI eMarket has multiple technological, as well as operational know-how to offer, it has been chosen as 'Knowledge Partnering Institution (KPI)' for the 'Research Study on Transparency in Primary Commodity Procurement' under the 'Center for Cooperative & Livelihoods' at the Lal Bahadur Shastri National Academy of Administration, Mussoorie, mainly providing the technology platform for the research.

MoU between NCDFI and (VKCoE) at IRMA

An MoU was signed between Verghese Kurien Centre for Excellence (VKCoE) and at IRMA in 2015. Under the MoU, NCDFI and IRMA will work together till the year 2023-24 for research collaboration activities to study the evolution, growth, working, and contribution of dairy and agriculture cooperatives, and to ensure that the research findings, reach to the targeted beneficiaries so as to increase the income of farmers and rural masses of our country.

MoU between NCDFI and Anand Agricultural University (AAU)

Under the MoU, both NCDFI and AAU have agreed to work initially for two years till the financial year 2021-22 to create programs that promote institutional development and academic enhancement, including but not limited to: faculty and student training, academic and scientific research, and publications.

Awards and Recognition

During the year 2020-21, the Chairman, NCDFI, has been unanimously elected as Governing Council Member of the National Cooperative Union of India (NCUI). The recognition will further boost the spirits of all the stakeholders of dairy cooperatives and further accelerate the efforts of NCDFI aimed at enhancing the welfare of millions of dairy farmers.

NATIONAL FEDERATION OF COOPERATIVE SUGAR FACTORIES LIMITED (NFCSF)

About NFCSF

The National Federation of Cooperative Sugar Factories Limited (NFCSF) was established in 1960 to coordinate and facilitate the working of the affiliated cooperative sugar factories and state federations of cooperative sugar factories and to assist in promotion and installation of new cooperative sugar factories. The NFCSF was established at a time when India's standing in the world sugar scenario was negligible. However, the establishment of NFCSF changed the scenario. There was a steady increase in the sugar production and the cooperatives' share in the total production. During the years 1982, 1988 to 1993, 1995, 1996, 2000 & 2019 India had achieved the distinction of being the world's largest producer of sugar and the share of cooperatives in total sugar production during the above said years was 55% to 61%. As of March 31, 2021 there were 753 installed sugar factories, out of which 283 are in the cooperative sector.

Sugar Production Status

India is witnessing a glut in sugar production. The average domestic sugar production in last four sugar seasons is 309 Lmts which is more than the average consumption of 255 Lmts. Continuous back-to-back over production piled up a carryover stock

of more than 90 Lmts for SS 2021-22 despite overwhelming response in sugar export policy of SS 2021-22 of 60 Lmts after delay in announcement by three months with reduction in financial incentive amount by Rs 4,448/Ton and expected export of another 5 Lmts without any financial incentives. Cumulatively India is exporting more than 165 Lmts of sugar from SS 2017-18 onwards till end of this season.

Initiatives by the Government

In order to improve the liquidity of sugar mills, enabling them to clear cane price arrears of farmers and to stabilize domestic sugar price, Government took various corrective measures, as follows.

- Maximum Admissible Export Quantity (MAEQ) of 60 Lmts
- Financial Assistance on Sugar Export
- Financial assistance to sugar mills and grain based distilleries for enhancement and augmentation of ethanol production capacity.

Techno-Commercial Services by NFCSF

Besides the above, NFCSF continued to render its techno-commercial consultancy services to its member cooperative sugar factories and to the need based private sector mills. The professional experts of NFCSF in various disciplines viz. sugar engineering, sugar technology, sugarcane agronomy, financial management, by-products have helped the member sugar factories adopt new technologies and methods for cost effective production of sugarcane and effective utilization of by-products of the industry for its value addition. The technical competence, financial acumen, excellent skills and professional interfacing of the experts of NFCSF helped the member sugar factories to meet new challenges and ever rising global standards. Emphasis was laid on the vertical growth of production of the factories rather than horizontal growth. Accordingly, the projects undertaken during the year pertained more to expansion of crushing capacities, modernization, cogeneration, effective utilisation of by-products i.e. ethanol from sugarcane juice etc.

During the year, NFCSF undertook 74 projects in nine States in India. These projects were related to rehabilitation, modernization, expansion, co-

generation and valuation project reports and detailed project reports and project reports for ten distillery projects. During the year, total techno-commercial consultancy and inspection services from concept to commissioning were also provided.

As sugarcane is the backbone of the sugar industry and as varieties of sugarcane play a major role not only in increasing sugarcane productivity but also sugar recovery, in order to improve the productivity of sugarcane, NFCSF constituted a committee under the Chairmanship of the Managing Director, NFCSF. This Committee has been monitoring the varietal trials conducted in different cooperative sugar factories' operational areas.

Election of President of NFCSF

Shri Jaiprakash R. Salunke Dandegaonkar was unanimously elected as the President of the National Federation of Cooperative Sugar Factories Ltd. at the Apex Sugar Body's 214th meeting of the Board of Directors held on 18th December 2020. Shri Dandegaonkar succeeded Hon'ble Dilip Walse Patil, who had resigned as the President of NFCSF on becoming the Cabinet Minister of State Government of Maharashtra.

A former State Minister of Cooperation and Textile in the Govt. of Maharashtra, and as a senior leader of the Cooperative Sugar sector, Shri Dandegaonkar has contributed significantly towards the growth and development of the Indian sugar sector, one of the few heavily controlled industries in India. As a senior Director of NFCSF, he has been advocating for dynamic reforms in this industry.

61st Annual General Meeting of NFCSF held

The 61st Annual General Meeting of the National Federation of Cooperative Sugar Factories Ltd. took place on 19th December, 2020 at New Delhi. Since the current situation was not quite conducive to conduct the AGM and Efficiency Award ceremony in the traditional manner due to the ongoing COVID-19 situation in Delhi, the annual meeting was organized at a much small scale to meet the statutory requirements.

The meeting saw active and lively discussions among members despite less attendance than the previous years. The members highlighted the

practical hurdles being faced by the sugar mills in enhancing their efficiency level in their expansion plans. They also deliberated upon the future course of action to improve the general well being of cane growers and millers.

Earlier, Shri Jaiprakash Dandegaonkar, Hon'ble President, NFCSF listed the challenges before the Indian sugar industry and reiterated the commitment of NFCSF to make the Indian cooperative sugar sector highly efficient and competitive in the wake of changing domestic and global scenario.

Chief Guest Shri Ishwarsinh T. Patel, Hon'ble Minister of Cooperation, Youth and Transport, Govt of Gujarat and Director, NFCSF assured the President, NFCSF and the Members of the AGM that he would take up the issues with the Central Government so that the hurdles impacting the growth of cooperative sugar sector are mitigated and sorted out at the earliest.

Further, Shri Prakash Naiknavare, Managing Director, NFCSF presented the Annual Report of the Federation for the year 2019-20 before the general body. The members praised the efforts of the federation taken during the year to help cooperative sugar mills and cane growers across the country.

By-Election to Vacant Seats of NFCSF Board

During the 61st Annual General Meeting of the National Federation of Cooperative Sugar Factories Ltd., by-election to the vacant seats in the board of NFCSF was also conducted. In the election, Thiru A.S.A. Raajasekhar, President, Tamil Nadu Cooperative Sugar Federation Ltd., Chennai and Thiru K.P.S. Sureshkumar, President, The Salem Cooperative Sugar Mills Ltd., Namakkal District, Tamil Nadu were elected unopposed to the board of NFCSF.

Outreach to State Cooperative Sugar Federations and Members Cooperative Sugar Mills during the first lockdown of 2020-21

COVID-19 and the subsequent first nationwide lockdown were a major jolt to businesses across the country including the cooperative sugar factories. There were issues of labour, smooth factory operation, marketing and export of sugar etc. There was a sudden halt of all activities at the member

factories, a few of which were in the middle of their operations. To assist and guide the member sugar factories during the testing time, technical experts from the National Federation of Cooperative Sugar Factories organized a series of one-to-one video-conferences with state sugar federations and member cooperative sugar factories, and wide-ranging issues pertaining to the sugar sector were discussed.

Cooperative Sugar Journal

During the year, NFCSF continued to publish its regular publications viz. its 'Cooperative Sugar Press News' weekly magazine containing present reports on sugar and allied subjects, Parliament questions and answers, market reports, etc. 'Cooperative Sugar' a monthly journal was also published containing useful technical articles on sugarcane, sugar and their by-products and government orders, notifications and statistical information.

**NATIONAL FEDERATION OF STATE
COOPERATIVE BANKS LTD. (NAFSCOB),
VASHI, NAVI MUMBAI**

National Federation of State Cooperative Banks Ltd. (NAFSCOB) was established on May 19, 1964 with a broad objective to facilitate the operations of state and central cooperative banks, in particular and development of short term cooperative credit structure (STCCS) in general. **NATIONAL COOPERATIVE AGRICULTURE
& RURAL DEVELOPMENT BANKS'
FEDERATION LTD. (NCARDBF)**

The Federation was established in 1960 as the National Apex organization for Long Term Cooperative Credit Structure (LTCCS). LTCCS

advances loans mainly for capital formation of agriculture and rural sectors.

At present the structure comprises of 16 SCARDBs of which only 13 are fully functional with a network of 1722 PCARDBs/branches of SCARDBs at ground level. These banks have a total membership of 1,02,44,345 rural households of which 56,55,969 have outstanding loans. The Total Loans Outstanding and Borrowings Outstanding of these banks as on 31.03.2020 were Rs. 20102.57 crores and Rs. 13437.20 crores respectively. Fully functional SCARDBs have total deposits of Rs. 2129.21 crores as on 31.3.2020 as against Rs. 2113.92 crores as on 31.3.2019. Their total lending during 2019-20 stood at Rs. 4214.40 crores as against Rs. 4242.50 crores during the previous year. Aggregate recoveries were 38.59% (As on 31 March 2020) as against 36.37% last year.

Major Developments – 2020-21

Deposit Mobilisation by ARDBs – TDS on Interest on Deposits

Government of India through an amendment in section 194A of Income Tax Act 1961 has made it mandatory for cooperative societies to make TDS on interest paid on deposits mobilized.

Before the above amendment, through separate subsections of 194A, cooperative societies were exempted from making TDS on interest paid on deposits by voting members. Similarly, Land Mortgage Banks (ARDBs) were also specifically exempted from making TDS on interest payment on deposits mobilized by them.

However, through the recent amendment brought through Union Budget 2021, the above exemptions are withdrawn. All cooperative societies including ARDBs are now required to make TDS on interest payable on deposits if total amount of such payment exceeds Rs.40000 during a financial year. This is applicable in respect of deposits received from members as well as non members.

However, if the total annual income of any depositor is within the income tax exemption limit there is no need for making TDS if the depositor concerned submits form 15G or form 15H (in the case of senior citizens).

International Day of Cooperatives on 4 July 2020

International Cooperative Alliance selected 'Cooperatives for Climate Action' as the theme for International Day of Cooperatives on Saturday 4 July, 2020. Climate action is one of the important goals in SDG 2030 (SDG 13). Agricultural cooperatives can play an important role in tackling climate change. ARDBs can contribute to tackling climate practices by promoting sustainable agricultural and irrigation especially agro forestry, financing and popularizing water saving micro irrigation systems etc.

Follow-up with State Governments for Enhancing Policy Support to SCARDBs

The two Conferences of Principal Secretaries of Cooperation and Registrars of Cooperative Societies organised by the Federation in 2012 and 2014 made several important recommendations for improving the legal and policy environment of ARDBs and improving their working in general. Priority to SCARDBs in giving govt guarantee along with simplifying the procedure and waiving guarantee fee or keeping such fees at lower rate in case waiver is not possible, waiver of stamp duty and registration fee which is yet to be done in some States, removing restrictions on legal recovery measures with regard to wilful defaulters, giving permission for accepting deposits by ARDBs in a couple of States where it has not been done so far, etc. were among the important recommendations relating to State Govts made by the above Conferences. The Federation is continuously following up these recommendations with State Governments concerned.

Challenges in the Context of Covid-19 Pandemic

The country went to lockdown for 68 days from March 25, 2020 to contain covid19 pandemic. Though financial services were exempted from lockdown restrictions, it was a challenging time for ARDBs to carry on normal business when everything else was closed down. The Federation in the above context had a virtual meeting with CEOs of member banks to consider measures to facilitate business continuity while ensuring safety of staff and clients. Following are the main suggestions and observations which emerged in the meeting.

- There is a need for coming up with a contingency plan for ARDBs till the situation becomes normal. Also critical functions which have to be necessarily carried out in all

circumstances need to be identified, and suitable staff required for those functions taking into account their age group, general health condition and their competency level need to be short-listed.

- Strengthen IT infrastructure by introducing software for online applications, and online submission of reports by loan processing and recovery follow up by the staff.
- Recovery follow up should be strengthened especially in the case of loanees who have money at this time/ have regular incomes through mobile phone calls, SMS and WhatsApp.
- This is the right time to help existing borrowers by meeting their short term credit requirements.

Promotion and Financing of Joint Liability Groups

JLG concept for advancing investment credit was introduced about 15 years back to increase credit flow to persons not having adequate land or other collaterals to give as security to undertake farming and non farming activities.

NABARD in October 2020 issued revised guidelines to SCARDBs for promoting JLGs and also enhanced the financial support for formation of JLGs to Rs.4000 per JLG from Rs.2000 before.

Publications**Land Bank Journal**

The Federation publishes Land Bank Journal since 1962. The journal publishes research articles and news on Agriculture Rural Credit and Cooperation. Important events in the sector and reports on activities of member banks in the publication are also covered.

Annual Statistical Bulletin

Collection and compilation of statistics relating to member banks' operations and publication of Annual Statistical Bulletin is also undertaken.

Monthly Progress Reports of ARDBs

The Federation collects and compiles data on member banks' key operations on a monthly basis for review at its level and thereafter reporting to Govt of India regularly.

INDIAN FARM FORESTRY DEVELOPMENT COOPERATIVE LIMITED' (IFFDC)

IFFCO promoted a multi-state Cooperative Society named 'Indian Farm Forestry Development Cooperative Limited' (IFFDC) in 1993. The prime objective of IFFDC is to conserve environment and mitigate climate changes through sustainable natural resource management for enhancing the socio-economic status of rural poor, tribal community and women in particular. So far, 29,421 hectare wasteland has been developed as multi-purpose forests in the states of Uttar Pradesh, Madhya Pradesh, Rajasthan and Uttarakhand. These forests are playing an important role in conserving bio-diversity and sanctuary for a large number of wild animals and birds. These forests are sequestering about 1.41 lakh tonne atmospheric carbon annually, which is helping in mitigating the climate change. The afforestation is being implemented through 152 village level primary farm forestry cooperative societies (PFFCS) having 19,331 members, out of which about 38 per cent are landless, 51 per cent are small/marginal farmers. Women constitute 32 percent of total membership.

Presently, IFFDC is implementing 20 projects on farm forestry, integrated watershed development, rural livelihood development, agriculture & horticulture development, women empowerment etc. for developing resilience and adaptation to climate changes. This has helped to increase income of the farmers and rural poor community in about 9,563 villages in eight states. About 17,480 ha. area covered under Integrated Watershed Development has resulted in increase of an additional irrigated area of about 15,193 ha. Moreover, IFFDC has developed 8515 Wadis (Small Orchids) on 3406 ha

area under the agri-horticulture programme in various states in partnership with NABARD. In sequel to watershed development projects of NABARD, climate proofing projects are being taken up. For women empowerment, IFFDC is nurturing 1,840 Self Help Groups (SHGs) through skill development, knowledge building and micro-enterprises development etc. The total membership of these SHGs is 18,782 out of which, 94 percent are women members.

Seed Production Programme:

Seed has an important role in crop production. Often, due to non-availability of quality and reliable seed, productivity of crop is affected, resulting in low income from the farm. IFFCO has entrusted job of the Seed Production Programme (SPP) to IFFDC. Accordingly, IFFDC has undertaken the SPP of high yielding and promising varieties of different crops on farmer's fields with its 5 state-of-art technology seed processing units (SPU) located in the states of

Haryana, Uttar Pradesh, Punjab and Rajasthan. During 2020-21, total 3.80 lakhs qtls certified seed of paddy, hybrid paddy, moong, soybean, urd, arhar, hybrid bajra, hybrid maize, sudan sorghum grass during kharif and wheat, barley, gram, mustard, hybrid mustard, cumin & berseem during rabi were made available to the farmers. Seed production of 14 Crops and 52 varieties was undertaken by IFFDC. 11 New varieties of five Crops have been added to production programme during 2020-21. IFFDC supplies seeds to Agricultural Department under Minikit Scheme of Mission on Oilseed & Oil-Palm (NMOOP), Government of India. It is expected that, about 4.25 lakh qtls certified seed of high yielding varieties under production during 2020-21 will be available for marketing during 2021-22.

During the year 2020-21, 2734 quintals of hybrid seed of paddy, pearl millet, maize, mustard & sorghum and 9924 kg of vegetable seeds of 24 different crops have also been made available to the farmers.

The Gujarat State Cooperative Agriculture & Rural Development Bank Limited

This bank is an apex institution in the cooperative sector in the State of Gujarat for providing investment finance for the development of agriculture and allied activities. It has adopted unitary structure and is involved in business through the network of branches numbering to 176. This bank has got unitary structure having Head Office at the state level and branches at each taluka level. The Head office functions through seventeen district offices.

During the year under review, the total number of members stood at 6,74,729 at the end of the year.

Last year the share capital as on 31st March 2020 was Rs.44,50,97,715/- During the year, considering the amount of share capital refunded on

closure of loan account and added owing to enrollment of new members (loanees), the share capital at the end of the year i.e. as on 31st March 2021 stood at Rs.43,17,75,611/- (tentative). Last year, the balance of Statutory and other Reserve fund was Rs.5,70,86,38,955/- and this year as on 31st March 2021, the balance of statutory and other reserve fund was Rs.6,06,53,43,931/- (tentative) during the year under report.

The Bank has introduced the scheme of accepting fixed deposits from 1991-92. Under this Scheme, the outstanding balance of Fixed Deposit as on 31st March 2020 was Rs.267.12 crores which as on 31st March 2021 stood at Rs.245.88 crores. 0.50% additional interest is given to the members, employees of the bank & senior citizens on their fixed deposits in the bank. The bank disburses loan to the farmers against mortgage of their agricultural land. Thus, the fixed deposits mobilized by the bank are fully secured. The depositors have faith in the Bank, due to which every year there is rise in the amount of fixed deposit of the Bank.

During the financial year 2020-21, total loans disbursed by the bank was Rs.117.76 crores. Due to impact of lockdown by Government of India, on account of (Covid-19) during the financial year 2020-21, the disbursement of loan by the bank got affected.

As per the Loan Policy of the Bank for the year 2020-21, lending targets to the branches of the bank is fixed by considering its achievement, cash flow of previous financial years, recovery percentage, area of operation of branch, potentiality of branch, branch manager / employees and other aspects of the branches.

The bank has been providing medium term agricultural development loans since 2005. During the year 2012-13, the bank introduced Green House Loan. The bank gives loan for Subsidy based activities like rural godowns, sprinklers, drip irrigation, poultry etc. The bank gives loan to agricultural graduates for establishment of Agri. Business Centers. The bank disburses loan for all types of consumer products. Thus, bank disburses loan for more than 300 activities under farm sectors and non- farm sectors.

During the financial year 2017, the bank has started “Kheti Bank Case Credit Scheme”. Under this scheme, loan is disbursed to borrowers at the

rate of 10% simple interest. If the borrower repays the loan annually along with the interest, he is eligible to get new loan. Under this scheme, mortgage deed has to be done once in five years.

As per amendment made in Section 116 of The Gujarat Cooperative Societies Act 1961, the bank can now finance short-term loans if interest subvention is available from Government of India and Government of Gujarat. For long term loans, the bank is not getting benefit of Interest subvention from either Govt. of India or State Govt. The rate of interest on refinance available from NABARD is very high. The bank has therefore submitted a proposal to State Govt. to avail the benefit of 5% interest subvention on the loan disbursed by the bank to the farmers. The decision taken by the state government in the interest of the farmers will enable them to avail loans at low interest rates.

Private banks and commercial institutions in the country are constantly conducting a review of their operations to help the progress of organizations by providing continuous guidance to their employees to work towards achieving future goals in due course of time. In today's competitive era, such standards are also implemented by organizing the Review Meeting on quarterly basis at the head office, Ahmedabad for the district managers of the Bank.

Quarterly Review Meetings are conducted at district level, to review functioning of the branches. Meetings of various committees are also organized at the head office for the management of the bank. As part of the course work of Diploma In Cooperative Management, the students of Gujarat Sahakari Vyavasthapan Kendra, Ahmedabad run by Gujarat Rajya Sahakari Sangh, Ahmedabad visited the training center to prepare assignments and study the working of the cooperative institution.

In view of modern times, the proposal of NIC National Informatic Center (NIC) New Delhi for computerization of the 176 Branches of the bank, 17 district offices and head office was sanctioned by the Board of the Bank. CCBS project has started from 2016. Under this project, CCBS First pilot project was started in 5 branches. HIMACHAL PRADESH**Himachal Pradesh State Cooperative Development Federation**

The Himachal Pradesh State Cooperative Development Federation Ltd., Shimla came into being in the year 1960, at the initiative of the Department of Cooperation, H.P. Government. Its principal objective in nutshell is, "to promote and develop the cooperative movement in Himachal Pradesh; to educate, guide and assist the people in their efforts to build up and expand the cooperative movement". The main activities of this federation can be broadly divided into four parts.

Cooperative Education Programme

Cooperative education programme was first introduced in Himachal Pradesh in the year 1957 with two cooperative educational units under the charge of cooperative education officer. The programme was introduced under the charge of state cooperative bank. The education programme was transferred to HIMCOFED in the year 1962. The present sanctioned strength of CEIs is 24, and the number of Lecturers & CEIs/others is only 15. The main objective of the programme is to generate awareness and acquaint committee members, members, potential members, SC/ST members, women and youth with the philosophy, principles of the cooperative movement, quorum of Annual General Body Meeting, and special privileges of cooperative societies, etc.

Cooperative Training Programme

This Federation is running two Cooperative Training Centres at Mashobra, Distt. Shimla and Garli, Distt. Kangra to cater to the training needs of junior personnel of cooperative development and employees of cooperative institutions. In both training Centres, one Diploma in Cooperative Management Course of 16 week duration is organized in accordance with the guidelines and syllabus prescribed by National Council for Cooperative Training (NCCT).

Achievements under cooperative education/training programme during the year 2020-21 are given below :

Type of courses	Duration	No. of courses	Persons trained
Secretary/manager camp	5 days	6	131
Managing committee member camps	1 day	131	1347
Member/potential members camps	1 day	84	1006

Diploma course for Certified auditors	1 month	2	83
Tribal courses	1 day & 2 days	20	243
Seminar	1 day	1	200
Total		251	3099

Publication and Propaganda

Apart from implementation of cooperative education and training programme, this federation is also undertaking publication and propaganda activities. The main activities under the programme are as below :-

- Publication of monthly Magazine "Sahkar Darpan"
- Publication of cooperative literature and pamphlets.
- Organisation of All India Cooperative Week.
- Organisation of seminars and workshops.
- Conferring of awards for outstanding cooperative societies.
- Organisation of inter state study visits.
- Organisation of campus in tribal areas within special drive.

Printing Press

A Printing Press was established by this Federation in the year 1971 with a view to provide stationery and printing facilities to the cooperative institutions of the state at reasonable prices. In the recent years the Printing Unit has been modernized

by installation of three offset printing machines. The modernization drive enhanced the quality and quantitative capacity of the Press. As a result this Federation is able to acquire the printing work from H.P. University, transport department, science and technology, ICAR, Panchayati Raj etc.

KARNATAKA

Karnataka Cooperative Milk Producer's Federation Ltd.

The Karnataka Cooperative Milk Producers Federation Ltd., a cooperative apex body in Karnataka, has been implementing dairy development activities in the entire state since 4 decades in a phased manner through the 14 district milk unions, ushering prosperity in the lives of rural milk producers.

The Federation in its fold has 14 district milk unions spread-over the entire state of Karnataka covering all 31 districts by cooperative dairying activity. The district milk unions in operation are situated at Bengaluru, Kolar, Mysuru, Chamarajanagar, Mandya, Tumkuru, Hassan, Dharwad, Belagavi, Vijayapura, Kalaburagi, D.Kannada, Shivamogga and Ballari.

Following are key dairy plants :

1. Mother Dairy, Yelahanka, Bengaluru
2. Nandini Hi-Tech Product Plant.
3. Nandini Mega Hi-Tech Powder Plant (Ramanagar)
4. Nandini Milk Products, KMF Unit, Bengaluru
5. Cattle Feed Plant Rajanukunte, Gubbi, Dharwad, Hassan and Shikaripur

Training Institutes

The Central Training Institute at Bangalore and Training centers at Mysuru, Dharwad and Gulbarga are imparting a wide range of need-based training programs on various subjects related to DCS Staff, accounts, administration, technical inputs and also training is conducted under HRD and other specialized fields for officers and staff, WDSCS members and officers/ staff of KMF, Unions and Units.

Physical Achievements

By March 2021, a network of 16789 dairy cooperative societies (DCS) have been organized, in 14 milk unions. Among them, 14864 DCS are functioning with 96% of them being in profit. About 4093 women DCS are functioning. These DCS are spread over 227 talukas covering 24120 villages, (76%) out of total of 29736 villages in all the 31 Districts of Karnataka. About 25.71 lakhs rural farmers are members in these DCS, of which 9.51 lakhs are small farmers, 7.49 lakhs are marginal farmers, 4.56 lakhs landless labourers and 4.13 lakhs are others. Out of these, 2.69 & 1.51 lakhs of them belong to SC & ST groups, and 9.31 lakhs are women members.

The DCS carry out milk procurement activity on all the 365 days procuring an avg. of 78.73 lakh kgs per day during 2020-21.

The surplus milk is handled, without resorting to milk procurement holidays. Karnataka Milk Federation stands 2nd position in milk procurement at the National level.

The Financial Progress

The Federation has maintained low price spread between procurement and sale price which has resulted in higher realization. At present, on an average 19 crores is being paid per day to the milk producers.

The overall impetus given by the Federation to the Dairy development activities in the state has resulted in higher procurement of milk, which is handled without declaring any milk holiday.

The adequate processing facilities coupled with new marketing strategies have resulted in higher turnover. There is a marked increase of 16656 crores in 2020-21 as compared to 998.39 crores in the year 1999-2000.

Support to Training and Employment Programme (STEP) for women was launched by the Ministry of Women & Child Development, Government of India, as one of the measures to ensure well-being of women in the traditional informal sector in the year 1986.

Karnataka Milk Federation (KMF) initiated the STEP Programme in Karnataka from October 1997.

Since then, KMF has organized 800 Women Dairy Cooperative Societies (WDCS) in three Phases and in Phase IV converted 250 WDCS organized prior to the advent of STEP into STEP WDCS. In addition to these in the year 2007, the Government of India has approved two more Phases – Phase V for organizing of 200 new WDCS and Phase VI for bringing the 200 existing WDCS into the fold of STEP. Till now there are 4,053 WDCS organized in KMF, 1924 WDCS are covered under STEP scheme. Another project was sanctioned to Nittur Education Society of Bhalki in collaboration with KMF for organizing 24 WDCS under the jurisdiction of Gulbarga Milk Union confined to Bidar District.

KMF initiated 'Ksheera Sanjeevini' - Phase-I project with Sanjeevini-KSRLPS from April 2014. The proposed project brings 250 existing women dairy cooperative societies by the 30 district into the fold of Ksheera Sanjeevini. It is anticipated to enroll 10,000 women as target group members (TGMs). The outlay of the project is Rs.17.10 crores for three years.

- In Ksheera Sanjeevini phase II(2020-21), the target is to benefit/meet 6,920 women under below poverty line (poverty stricken) with 170 women cooperative milk producers societies through founding 346 milk producers group.
- The project plans at providing margin money (interest free loan) for the purchase of 6,920 milch animals and facilitating the group members with technical training on dairying, educational tour and accessibility for credit facilities from the financial institutions. The Project is estimated to demand funds of Rs.1,032.39 lakhs, inclusive of the recollected margin money from the women cooperative milk producers societies, which account for Rs.300 lakhs, as mentioned according to Memorandum of understanding (MoU) signed by Sanjeevini-KSRLP and KMF. During the period of 2021-22, the project plans to establish and add 250 milk producers group.

KMF –Sanjeevini (IBP)

- ◆ After the very good impact of STEP & Ksheera Sanjeevini scheme in uplifting the rural women economically and socially, KMF also started a new scheme KMF Sanjeevini program in the same lines of STEP/ Ksheera Sanjeevini in all milk unions. In this scheme in 100 WDCS, 4000

beneficiaries are covered in 14 milk unions with an outlay of 4.25 crores. This scheme also covers training, animal purchase through margin money and bank linkages.

- ◆ Since 2017-18, Rotary institutions in collaboration with KMF launched “Kamadhenu” project to provide margin money for the purchase of milch animals i.e., Rs.50,000/per animal per women beneficiary as interest free loan (margin money). Under the project, 236 women beneficiaries belonging to the jurisdiction of Bangalore, Mandya, Tumkur and Kolar were provided with the margin money with an total outlay of Rs. 118 lakhs (60% from Rotary institutions and 40% from KMF) for the animal purchase on a regular basis.

Performance Highlights

The mission of Karnataka Milk Federation is to promote economic prosperity and social empowerment of our member milk producers through vigorous cooperative dairy development in Karnataka State. The successful realization of these goals is reflected in many landmark achievements during the recent years, some of which are listed below :-

- ◆ **Full coverage:** The state is entirely covered by cooperative dairy development.
- ◆ **Covered by Farmers:** Elected boards are in position in all the district milk unions and the federation.
- ◆ **Lowest price spread in the country:** Lowest price spread between procurement price and sale price. Due to efficiency of operations in the federation and unions, more than 75% of the consumer rupee is passed on to the producers.
- ◆ **Cooperative Excellence:** Most of the dairy cooperative societies (DCS) are earning profit.
- ◆ **Pioneer in Cross-breeding:** Extensive coverage of cross-breeding programs has catapulted the state to become one of the few pioneering states in cross-breeding in the country.
- ◆ **Empowering Producers for Rural Prosperity:** An overwhelming majority of the beneficiaries of cooperative dairy development programs in

the state belong to vulnerable section of the society in villages.

- ◆ **Remunerative price to producers:** The purchase price paid to producers has seen a quantum jump during the recent years, thereby making the occupation of dairying remunerative for the farmers in the state.
- ◆ **The State Government has magnanimously increased the incentive,** being paid for every litre of milk supplied by farmers to dairy cooperatives in the state.
- ◆ **Majority of our member milk producers are small farmers, marginal farmers and landless laborers,** who need hand-holding in their critical times of distress. KMF is implementing several financial assistance programs of GOK.
- ◆ Karnataka Milk Federation is also successfully implementing Central Government Schemes, such as National Programme for Dairy Development and Rashtriya Krishi Vikas Yojane.
- ◆ **Strengthening Training facilities:** The KMF is making great efforts to ensure that DCS operate as profitable business units and producer members play active role in the management of their DCS. Determined efforts are being made continuously to build the capacities of our member producers by making large investments in member education and training.
- ◆ The five cattle feed plants of the Federation have excelled in productivity by capacity utilization of more than 120% so as to meet the ever increasing demand for NANDINI cattle feed from producers. The cattle feed plants are ISO9001-2008 certified for producing quality cattle feed.
- ◆ In order to meet the increasing demand for NANDINI cattle feed, a new 300 MTD (MTs per day) Cattle Feed Unit, at Hassan and a new 300 MTD capacity Hi-tech cattle feed plant at Shikaripura have been commissioned which have started production.
- ◆ The capacity of Dharwad Cattle Feed Plant has been expanded from 150 MTD to 200 MTD

- ◆ KMF is the first Federation in the country to introduce area-specific mineral mixtures, under the technical guidance of NIANP. Now, this concept has become very popular across the country.
- ◆ Established Mineral Mixture Plants in Gubbi Dharwad and Hassan cattle feed plants.
- ◆ In the present days of increasing manufacturing cost of cattle feeds, the profitability of dairying for the farmers is getting constantly eroded. Hence, effective utilization of locally available roughages is a promising solution to increase farmers profitability in milk production. KMF has initiated ambitious program to commission Fodder Densification Units in the state.
- ◆ The overwhelming success of AI programs in the state is due to supplier quality semen straws, being produced in the Nandini Sperm station of the Federation. This Station has been recognized by the Ministry of Agriculture, GOI, as the Best A-Grade station in the country and this station is also certified for ISO 9001-2008.
- ◆ Mother Dairy has been certified for exports by EIA, GOI, KMF and supplies milk products to several other states and to the Indian army, besides exporting to USA, Russia, South Africa, Singapore, Thailand, Philippines, Nepal Bangladesh and many other countries
