The overall objective of the cooperative education programme is to create enlightened, participatory and responsive membership and cooperative leadership; to improve the management efficiency of board members and office bearers of cooperative societies; to develop dynamic and forward looking leadership and to create cooperative awareness amongst the masses, particularly youth and women.

Presently, three types of Cooperative Education Programmes are being conducted in

the country – (1) General cooperative education programmes for agriculture cooperatives that are implemented by state cooperative unions; (2) Sector specific cooperative education programmes covering dairy, fishery, women, urban credit, consumer, housing, industrial activities, handicrafts, forest, and labour/ contract construction, marketing cooperatives etc. (3) Special cooperative education projects based on an area development approach. The target group of this programme consists of members and managing committee members of primary agriculture cooperative societies and self-help groups wherever they are developed by the concerned state cooperative union at village level.

The programmes at the state level are implemented by state cooperative unions through the adoption of two types of approaches namely; peripatetic approach and intensive approach.

During the year, NCDFI coordinated supplies of milk and milk products to 228 army supply depots and 33 units of Indian Air Force and Indian Naval Ship under the Ministry of Defence. Being an apex body of dairy cooperatives, NCDFI foresees the requirement to utilize part of its surplus in spreading awareness on topics such as clean milk programs, cooperative governance, productivity of animals, artificial insemination, ration balancing, etc. and to train manpower to enhance their performance and productivity. For this purpose, NCDFI is organising AI technician meets, putting up stalls at farmer fairs, and also

NATIONAL FEDERATION OF COOPERATIVE SUGAR FACTORIES LTD. (NFCSF)

Since the establishment of the National Federation of Cooperative Sugar Factories Limited in December 2, 1960, it has been a constant endeavour of NFCSF to improve and expand its services to the member state federations and cooperative sugar factories, besides striving to solve or help them in finding solutions to the innumerable problems related to policy matters, technical upgradation and so forth. Considerable success has been achieved in this regard, but some problems still remain unsolved and some new ones crop up in the fast changing environment. The technical and professional experts of NFCSF continued their good services and provided guidance to the member factories so as to oversee the foreign projects. Liaison work of NFCSF with concerned Ministries / Authorities

has been quite effective and it has proved to be a major service to the members. Members of NFCSF have appreciated the responsible role played by NFCSF. They have provided good support and the government has given NFCSF its recognition as the spokesman for the cooperative sector of the sugar industry.

A good example of the growth of the cooperative movement is that the sugar production takes place at mills owned by local cooperative societies. The members of the society include all small and marginal farmers, supplying sugarcane to the mills. Over last 70 years, the local sugar mills have played a crucial role in Indian economy and political fields.

Indian is now the largest producer of sugar in the world. India's sugar production accounts for 17% of the world sugar production of which cooperatives accounts for about 7%. The sugar industry is the second largest agro-based industry in India, next to Textile Industry. The cooperative sugar sector has been mainly responsible for transforming India from a deficit sugar producing country to a surplus sugar producing country. The Cooperative sugar sector has achieved remarkable progress in sugar production, as well as in ethanol production and co-generation. The socio-economic development brought about by these sugar cooperatives in the rural part of the country has changed the rural economy. The Cooperative sugar sector is primarily owned by sugarcane growers who hold the bulk of membership. Upto the last year, there were 5.15 million cane growers members. At present, there are a total number of 733 installed sugar factories in India, of which 283 factories are in the cooperative sector.

ALL INDIA FEDERATION OF COOPERATIVE SPINNING MILLS LTD. (AIFCOSPIN)

AIFCOSPIN as in the past continued to constantly endeavour to find solutions to the sectoral problems. It made all out efforts to provide highest quality services to the cooperative spinning sector in general and the members in particular. With the limitations imposed by resource constraints, AIFCOSPIN sought to expand and diversify its activities during the year 2017-18. As a part of the objective, it continued to maintain close liaison with the concerned government authorities, NCDC, NCUI, financial institutions and state level federations etc. Every opportunity was taken to apprise the authorities and the policy making bodies of the problems faced by the cooperative spinning mills and seek redressal of the same. Whenever required, personal meetings were also held with the Ministers at the Centre and in the states for interventions to remedy the situation. It provided services to the members by making realistic appraisals of the mills' technical and financial performance in consultation with the mills' functionaries and rendering practical suggestions for improvements.

The AIFCOSPIN has been taking up serious issues confronting the decentralized cooperative sector and in particular the cooperative spinning sector with the concerned authorities both at the Central and state level, and also suggesting measures for the revival and strengthening of the cooperative spinning sector. To enable the mills to avail financial assistance from NCDC/financial institutions, it also sought the support of Central/State Government etc. through appropriate policy decisions. It is hoped that the suggestions made by AIFCOSPIN from time to time will be considered sympathetically.

Textile Policy

The Government of India will be coming up shortly with its New Textile Policy. It is suggested that all the benefits under the New Textile Policy etc. should be also available to the existing and new cooperative spinning mills. This will ensure a level playing field particularly for the existing cooperative spinning mills needing rehabilitation, expansion, modernization, value addition etc. As

a matter of fact due to rural orientation of the cooperative spinning mills and the socio-economic development it triggers in its area of operations, some enhanced/additional benefits should also be considered.

Hank Yarn Obligation

Presently the share of the handlooms in the total production of cotton cloth in the country is only about 18 percent, and there is no dearth of hank yarn at all. Although there is a facility of fulfilling the obligation by transfer of the same from other producers the rates charged by the middlemen/brokers are exorbitant. The fixation of obligation at 40 percent as against 18 percent share of handloom cloth, is an avoidable burden cost on mills which are even suffering from cash losses due to low yarn prices compared to the price of cotton. There is, therefore, immediate need to bring down the hank yarn obligation to 10 percent if it cannot be totally dispensed with.

The issue/suggestions are being vigorously pursued with the concerned authorities but to no avail at present. It appears that the request went unheeded by the central/state governments in spite of the issues being referred by the Hon'ble Prime Minister to the state governments and concerned Union Ministries, perhaps because they did not study the issues minutely or tried to understand the plight of the spinning industry even though it is classified as a stress industry by the banking/financial sector. It is a serious crisis, and the central/state governments, NCDC etc. should step in save the cooperative spinning sector.

Project Reports and Other Services

During the reporting year, AIFCOSPIN studied three member units and looked into the possibility of their modernization and expansion. Further, it prepared reports on evaluation of tender documents for purchase of plant and machinery, spinning accessories, testing equipments etc. AIFCOSPIN prepared a report on technical and performance analysis within the units of LMW and RIETER machineries to find a suitable solution for sustainability, and the need for technology/upgradation with minimum investment related to one of the member mills.

During the reporting year AIFCOSPIN also conducted wide-ranging/ comprehensive/ special exceptional studies. Some of them are as under:

- Surveyed the possibilities of sustainability of two of our member mills. Financial health including its assets was also systematically assessed.
- Regular guidance was being provided in
 - ◆ Procuring the raw material on right time for uniform quality.
 - ◆ Tips on power saving and auditing.
 - Alternative method on existing humidification system and power saving on it.
- Feasibility study on finance to invest on partial modernization with systematic approach.
- Giving guidelines of accepted yarn quality in the local market.

Textile Policy (2018-23) of the Government of Maharashtra

The Government of Maharashtra has recently announced its State Textile Policy for the period 2018-23 which will be effective till 31st March, 2023 vide Government Resolution No. Policy 2017/C.R.6/Text.5 dt.17th February, 2018. Under the new Textile Policy, among others, subsidized power will be available at Rs.3/-per unit for cooperative spinning mills/units while powerlooms with capacity below 200 horse power can get electricity for Rs.2/-per unit as well as spinning mills. Subsidy given to powerlooms can be availed by other textile value chain units for processing, garment making and knitting as well. This is reported to having been made effective from 1st April, 2017. Nothing specific appears to have been provided to enable the cooperative spinning mills to avail term loans from NDC/ financial institutions for their rehabilitation, revival, modernization, expansion, etc.

Cooperative Spinning Mills In Karnataka

The AIFCOSPIN had prepared proposals

for rehabilitation/expansion/modernization of some of the cooperative spinning mills in Karnataka. After discussions with the Chief Minister of Karnataka and other senior officers of the Government of Karnataka on these issues and with the vigorous efforts of AIFCOSPIN, the Government of Karnataka has agreed to waive the interest component of some of the mills and to convert the loan component into equity.

Necessary inputs by the mills to the Government of Karnataka for the purpose have been given and AIFCOSPIN provided the necessary services for the purpose. This will go a long way in reviving the cooperative spinning sector in Karnataka State. AIFCOSPIN accepted in principal the work of preparation of TEFR of the mills in Karnataka. Some of the mills in Karnataka are also contemplating using the services of AIFCOSPIN for regular monitoring of its performance. Mills are assured by AIFCOSPIN of its continuous services and have been attending to their requirements as and when called upon to do so. Discussions in detail were also held with the concerned authorities in the Government of Karnataka, on the issues of rehabilitation of closed cooperative spinning mills which is under active consideration. It is hoped that the suggestions made by AIFCOSPIN will receive a favourable consideration.

A proposal was also initiated by AIFCOSPIN for reduction in power tariff for cooperative spinning mills in Karnataka and providing subsidy on cotton purchases. It is reported that w.e.f. 1st April, 2017 a subsidy of Rs.2/- per unit was agreed to by the Government of Karnataka. As regards subsidy on cotton purchase it is reported that the Government of Karnataka has agreed for five percent subsidy on the cotton purchased from the Cotton Corporation of India. Efforts are being made to extend the scope of this subsidy for purchases made through cooperative societies/ state/national level marketing federations etc.

Cotton And Textile Newsletter

AIFCOSPIN published Eighty-one News letters and "Pulse of Cotton and Yarn Prices in India and International Markets" during the year 2015-16. Material of interest to the spinning mills as well as those related to the textile industry as a

whole were included for publication in these issues. Price trend in cotton and yarn, import and export scenario along with forecasts of the likely future trend were also included. The projections made by AIFCOPSIN were accurate and very much appreciated by the member mills. The mills eagerly await these publications for planning their strategy for timing the purchase of cotton and sale of yarn. Matters related to Government policies as well as those of NCDC were also covered.

NATIONAL COOPERATIVE AGRICULTURE AND RURAL DEVELOPMENT BANKS' FEDERATION LTD. (NCARDB)

A significant event in the history of agriculture and rural development banking sector has been the establishment of the National Co-operative Agriculture and Rural Development Banks' Federation Ltd (NCARDBF) in 1960. Since its inception, the federation has been playing an important role in the growth of institutions in the sector. It has established effective coordination and promoted understanding among member banks and strengthened liaison with Central and state Governments, NABARD and financing agencies of SCARDBs.

Other activities of the Federation include organizing seminars and workshops, undertaking research studies and formulation of plans and programmes through its Planning, Research and Development Cell, compilation and publishing of statistics of member bank operations, sponsoring of study teams, co-coordinating investments in debentures, undertaking special training programmes, publicity work, providing guidance and advice on issues relating to operations and

governance. The quarterly Land Bank Journal published by the federation since the last 57 years has gained considerable popularity. The federation is also assisting member banks in business development and expansion by designing new products.

Lobbying with the government for implementing a revival package comprising of recapitalisation and reforms, guiding SCARDBs in self-driven reform initiatives and guidance and support to member banks in resource mobilization, recovery and NPA management and business expansion and diversification continued to be the thrust areas of the federation's activities during the year.

The delay in implementing the package aggravated the financial weakness of ARDBs and drastically reduced their capacity to meet the credit requirements of about 98 lakh farmers (members of ARDBs with outstanding loans as on 31.3.2015), who by and large are unable to access credit from other agencies since their land is already mortgaged with ARDBs. Implementation of the proposed revival package is the only solution to address the credit crisis faced by them. The structure, which is present in all major states with a network of 2600 outlets has the potential of expanding its annual lending in the short run by at least 5 times from the present level of about Rs.5000 crores, if revived.

A delegation from the federation met Finance Minister, Shri Arun Jaitley once again during the year on this issue. Shri Parshottam Rupala, Hon'ble Minister of State for Agriculture, Farmers' Welfare & Panchayati Raj who was the Chief Guest at the Annual Awards Function of the Federation held on 20 March 2017 in Delhi, was briefed about the issues with the Govt., and he promised positive actions by the Ministry of Agriculture in this regard. The continuous representations and delegations thus kept the revival proposal alive, and the Federation hopes for a favourable decision on the same at the political level.

Restructuring of ARDBs into Banks

The RBI constituted a Working Group in 2002 to evolve norms for licensing of ARDBs as banks

which, however, did not favour conversion of ARDBs into full-fledged banks in accordance with the policies of RBI at that time. However, the RBI has recently issued guidelines for establishing small finance banks in the private sector for supply of credit to micro and small enterprises, and providing banking services in unbanked and under banked regions in the country. Although there is a provision in these guidelines to convert non-banking financial companies and micro financial institutions into small finance banks, there is no such provision to convert cooperative entities into small finance banks. There is a strong case for licensing ARDBs as banks as either small finance banks in the cooperative sector or treating them at par with primary cooperative banks (urban cooperative banks).

There is a growing consensus among all its stakeholders that ARDBs should be able to be brought within the purview of Banking Regulation Act 1949. Vaidyanthan Task Force also endorsed the need to transform these institutions as banks and recommended that the regulator may consider giving banking licence to entities in the structure, which fulfil the conditions necessary for the same. The Federation has moved the Government of India and Reserve Bank of India for taking steps to evolve appropriate norms for giving banking licences to ARDBs.

Crop Loan Interest Subvention Scheme

The interest subvention scheme for crop loans implemented by the Government of India is presently not extended to farmers who avail crop loans from ARDBs. The federation has been persistently taking up this issue with the Ministry of Finance for including SCARDBs in the list of institutions through which the crop loan interest subvention scheme is implemented.

Subventing Cost of Investment Credit to Agriculture

The federation has also moved the Government to introduce an interest subvention scheme for investment credit to agriculture on the pattern of the crop loan interest subvention, in order to reduce the cost of long term loans for capital formation in agriculture.

Reform Initiatives

- **Core Group for Reform Initiatives (CGRI):** Core Group for Reform Initiatives constituted by SCARDBs continues to have regular meetings in most of the banks. CGRI has been concentrating on deepening of self-driven reforms at the ground level. CGRI also reviews the impact of new avenues for raising resources including deposit mobilisation and introduction of new products, identifying crucial areas and taking corrective actions to improve the rating of SCARDBs, preparation of manuals on functional areas with a view to evolve consistent policies and well documented procedure as well as NPA management. The federation has issued separate guidelines for self-driven reforms covering the following areas.
- Deposit mobilisation
- Loan recovery and NPA management
- Introduction of short loan products
- Diversifying avenues for borrowing
- Computerisation
- HRD and Training

Programme of Activities of the Federation during 2017-18

The federation constituted its Planning, Research and Development (PRD) Cell in 1973 to undertake studies, holding seminars, workshops, bringing out Publications and other promotional activities for its member banks.

उत्तर प्रदेश कोआपरेटिव यूनियन लि. (पी.सी.यू.) एक राज्य स्तरीय व्यावसायिक सहकारी संस्था है जिसका मुख्य उद्देश्य सहकारी शिक्षा एवं प्रशिक्षण की व्यवस्था करना तथा सहकारी कार्यक्रमों का व्यापक प्रचार-प्रसार करना है। इस संस्था का गठन वर्ष 1928 में हुआ था।

उपर्युक्त उद्देश्यों की पूर्ति हेतु प्रदेश के जनपदों में सहकारी शिक्षा हेतु सचल इकाइयों की स्थापना की गई है, तथा निम्न 06 सहकारी प्रबंध प्रशिक्षण केन्द्र स्थापित किये गये हैं :

1. मेरठ, 2. वाराणसी, 3. हैबरा (इटावा), 4. महोबा, 5. अयोध्या (फैजाबाद), एवं 6. बिलारी (मुरादाबाद)।

सहकारी शिक्षा कार्यक्रम के अन्तर्गत सहकारी सदस्यों/भावी सदस्यों एवं सहकारी बंधुओं/पदाधिकारियों को गोष्ठियों एवं सभाओं के माध्यम से सहकारी सिद्धांत, दर्शन तथा व्यवहार आदि की शिक्षा दी जाती है। वर्ष 2017-18 में इस योजना के अन्तर्गत दिनांक 01.04.2017 से 31.03.2018 तक कुल 12653 सहकारी बन्धुओं/सदस्यों/भावी सदस्यों को शिक्षित किया गया।

संस्था द्वारा संचालित 6 प्रशिक्षण केन्द्रों पर पत्रोपाधि सत्र (डिप्लोमा कोर्स) एवं अल्पकालिक सत्र आयोजित किये जाते हैं। वर्ष 2017-18 में इस योजना के अन्तर्गत दिनांक 01.04.2017 से 31.03.2018 तक कुल 263 कार्मिकों को प्रशिक्षित किया गया। सहकारी शिक्षा एवं प्रशिक्षण कार्यक्रमों के संचालन हेतु सहकारी संस्थाओं द्वारा सहकारी शिक्षा निधि में अंशदान किये जाने का प्रावधान उ.प्र. सहकारी नियमावली के नियम संख्या-138 में किया गया है, जिसके आधार पर वर्ष 2017-18 में इस योजना के अन्तर्गत दिनांक 01.04.2017 से 31.03.2018 तक कुल रु. 38.20 लाख शिक्षा निधि के मद में प्राप्त हुए।

सहकारी कार्यक्रमों के व्यापक प्रचार-प्रसार हेतु संस्था द्वारा "सहकारिता साप्ताहिक" समाचार पत्र एवं "सहकारिता मासिक" पत्रिका का नियमित प्रकाशन हेतु संस्था का एक अपना सहकारी प्रेस वर्ष 1969 से स्थापित है। इस प्रेस के द्वारा सहकारी क्षेत्र की संस्थाओं के उपयोगार्थ विभिन्न प्रकार की स्टेशनरी छपाई का कार्य भी किया जाता है। चालू वर्ष 2017-18 में इस योजना के अन्तर्गत दिनांक 01.04.2017 से

31.03.2018 तक कुल रु. 113.76 लाख का व्यवसाय किया गया।

वित्तीय संसाधनों में वृद्धि लाने के उद्देश्य से प्रदेश की सहकारी संस्थाओं की परिसम्पत्तियों/कैश की सुरक्षा तथा सहकारी सदस्यों की किसी दुर्घटना में मृत्यु/अपंगता की स्थिति में उन्हें बीमा की सुविधा एक समान एवं न्यूनतम दर पर उपलब्ध कराये जाने की व्यवस्था पी.सी.यू. द्वारा साधारण बीमा कम्पनी के सहयोग से सुलभ कराई जा रही है। वर्ष 2017-18 में इस योजना के अन्तर्गत दिनांक 01.04.2017 से 31.03.2018 तक कुल रु. 68.23 लाख का बीमा कमीशन मद में आय प्राप्त हुई। संस्था द्वारा वर्ष 2017-18 में किसानों से 156352.54 मि. टन गेहूं एवं 418355.33 मि. टन धान क्रय किया गया है जिसे संस्था को प्रशासनिक शुल्क के रूप में 1162.39 लाख प्राप्त हुई।

संस्था द्वारा भू-तल पर आधुनिक सुविधाओं से युक्त वातानुकूलित ओडिटोरियम का संचालन किया जा रहा है जो सहकारी तथा गैर-सहकारी संस्थाओं/संगठनों को गोष्ठी, सेमिनार, सम्मेलन आदि हेतु उचित दरों पर उपलब्ध कराया जाता है।

वर्ष 1996-97 के पूर्व तक शिक्षा/प्रशिक्षण एवं प्रचार-प्रसार के लिए राज्य सरकार से पी.सी.यू. को वित्तीय सहायता उपलब्ध करायी जाती रही है, जो 1996-97 के पश्चात से पूर्णतया बन्द कर दी गयी है, जिसके फलस्वरूप संस्था को अपने कार्यक्रमों के संचालन हेतु वित्तीय कठिनाईयों का सामना करना पड़ रहा है।

संस्था की आय का मुख्य स्रोत विभिन्न सहकारी संस्थाओं से प्राप्त होने वाली सहकारी शिक्षा निधि की धनराशि है। वर्तमान में बैंकिंग सहकारी संस्थाओं यथा- पैक्स, उ.प्र. सहकारी बैंक के लिए शिक्षा निधि ऐच्छिक होने के कारण उनसे शिक्षा निधि में धनराशि प्राप्त नहीं हो पा रही है।

वित्तीय वर्ष 2017-18 के आय-व्यय में उत्तर प्रदेश कोआपरेटिव यूनियन लि., लखनऊ के 6 सहकारी प्रबंध प्रशिक्षण केन्द्रों के संचालन हेतु रु. 100.00 लाख की अनुदान स्वरूप वित्तीय सहायता का बजट में प्रावधान कराने का अनुरोध भारतीय राष्ट्रीय सहकारी संघ से किया गया था, जिससे सहकारी क्षेत्र के मानव संसाधन के विकास एवं सहकारी प्रशिक्षण-व्यवस्था को सुदृढ़ बनाने के लिए प्रभावी प्रशिक्षण कार्यक्रम संचालित किये जायेंगे। इससे सहकारी आंदोलन को गति मिलेगी।

उत्तर प्रदेश के निवासियों की आवास की मूलभूत आवश्यकता की पूर्ति हेतु सहकारी आवास समितियों की शीर्ष सहकारी संस्था के रूप में निगम (पूर्ववर्ती नाम उत्तर प्रदेश सहकारी आवास संघ लि.) का गठन वर्ष 1969 में किया गया। निगम की स्थापना का मुख्य उद्देश्य अपनी सदस्य सहकारी आवास समितियों के माध्यम से एवं सीधे अपने सदस्यों को आवासीय ऋण उपलब्ध कराने के अतिरिक्त सहकारी आवास समितियों के माध्यम से आवासीय कालोनी विकसित करना एवं सदस्य सहकारी आवास समितियों को मार्गदर्शन प्रदान करना है।

विगत वर्षों में निगम के सदस्यों की संख्या में सतत वृद्धि हुई है जो बढ़कर वर्ष 2016-17 में 14033 हो गयी है, जिसमें सदस्य सहकारी आवास समिति की संख्या 1475 है एवं व्यक्तिगत सदस्यों की संख्या 12558 है। 2016-17 में निगम द्वारा वितरित ऋण रु. 25824.77 लाख थी।

वित्तीय वर्ष 2003-04 से वित्त पोषक संस्थाओं से ऋण न प्राप्त होने के कारण आवास निगम के ऋण वितरण पर प्रतिकूल प्रभाव पड़ा है। ऋण वितरण वित्तीय वर्ष 2003-04 से आवास निगम द्वारा अपने श्रोतों से सीमित संसाधनों के अन्तर्गत किया जा रहा है। इसी कारणवश निगम की कुल अंशपूजी में भी ऋणी सदस्यों के योगदान से होने वाली वृद्धि पर्याप्त नहीं हो सकी है, चूंकि काफी सदस्यों का ऋण समाप्त हो चुका है एवं उनकी अंशपूजी का समायोजन हो गया है।

माह सितम्बर 2003 में निगम की प्रबंध समिति को असंवैधानिक रूप से भंग किये जाने के पश्चात निगम के ऋण वितरण एवं ऋण की वसूली पर प्रतिकूल प्रभाव पड़ा एवं वर्ष 2008 तक निगम का ऋण वितरण लगभग शून्य हो गया तथा ऋण की वसूली में लगभग 40 प्रतिशत की गिरावट आई। मा. उच्च न्यायालय के आदेश के अनुपालन में निगम की प्रबंध समिति द्वारा माह जून 2009 में पुनः कार्य करना प्रारम्भ किया गया। उसके पश्चात प्रबंध तंत्र द्वारा ऋण वितरण एवं ऋण की वसूली बढ़ाने हेतु हर सम्भव प्रयास किया जा रहा है।

निगम द्वारा वितरित ऋण की वसूली को बढ़ाने हेतु लगातार प्रयास किया जा रहा है। किसी भी वित्तीय संस्था के वित्तीय प्रबंधन एवं विकास हेतु उसके द्वारा वितरित किये गये ऋणों की वसूली की महत्वपूर्ण भूमिका होती है, उसी क्रम में निगम की वसूली वर्ष 2016-17 में रु. 607.01 लाख हुई है। गत वर्षों की तुलना में वसूली का प्रतिशत कम होने का मुख्य कारण भारतीय जीवन बीमा निगम द्वारा वित्त संसाधन न

उपलब्ध कराने से ऋण वितरण का कार्य अवरुद्ध रहा तथा मात्र बकायेदारों से ही वसूली की जानी थी, जिससे समितियों द्वारा वसूली में पर्याप्त सहयोग नहीं किया गया। चालू वर्ष की वसूली में यथेष्ट प्रगति लाने के लिये वर्ष के आरम्भ से ही वसूली अभियान चलाया जा रहा है। वर्ष 2016-17 में वसूली 14.60 प्रतिशत थी।

निगम द्वारा विगत वर्षों में वित्तीय संस्थाओं से वित्त पोषण प्राप्त करने का प्रयास किया गया परन्तु कतिपय कारणों से वित्त पोषक संस्थाओं से वित्त पोषण नहीं प्राप्त हो सका है। इस संबंध में भारतीय जीवन बीमा निगम, मुम्बई के शीर्ष/वरिष्ठ अधिकारियों के स्तर पर पत्राचार/वार्ता कर वित्त पोषण प्राप्त करने हेतु कार्यवाही की जा रही है। आन्ध्रा बैंक से रु. 5.00 करोड़ की केश लिमिट 2013-14 में प्राप्त की गयी, जो लिमिट अभी भी जारी है। आशा है कि वित्तीय संस्थाओं से आगामी वित्तीय वर्ष में वित्त पोषण प्राप्त हो जायेगा। वर्ष 2016-17 में वित्तीय संस्थाओं से प्राप्त क्रमिक ऋण की धनराशि रु. 3820.81 लाख थी। पूर्वी विहार आवासीय योजना के वित्तपोषण के लिए हडको से ऋण प्राप्त करने हेतु भी कार्यवाही की जा रही है।

निगम द्वारा वित्तीय संस्थाओं से प्राप्त ऋण की किश्तों का प्रतिदान/भुगतान सुनिश्चित करने का प्रयास किया जा रहा है। आवास निगम द्वारा पूर्वी विहार आवासीय योजना हेतु हडको एवं यूनियन बैंक ऑफ इण्डिया से लिए गए ऋण का पूर्ण भुगतान पूर्ण रूप से किया जा चुका है। भारतीय जीवन बीमा निगम के ऋण का एकमुश्त भुगतान के लिए धनराशि की व्यवस्था निगम द्वारा की जा रही है।

निगम द्वारा अपने सदस्यों तथा सहकारी आवास समितियों के सदस्यों को प्रारम्भ से किए गये ऋण वितरण के फलस्वरूप उ.प्र. में आवासीय समस्या के निराकरण में योगदान किया गया है।

कम्प्यूटररीकृत करने हेतु एक एप्लीकेशन साफ्टवेयर विकसित कराया गया था जो कि वर्ष 1999 से कार्य कर रहा है जिसके अन्तर्गत लेखा एवं वित्त, वजट, फण्ड एवं ऋण वितरण के कार्य सुचारु रूप से कम्प्यूटर द्वारा पिछले 12 वर्षों से क्रियान्वित है तथा वसूली के अन्तर्गत आश्रयहीन योजना के समस्त सचसयों के ऋण/वसूली खाते भी ऑन लाइन है। वर्ष 2011-12 से निगम मुख्यालय पर जससल ERP-9 पर लेखा सम्बंधी कार्य किये जा रहे हैं।

ऋण वितरण एवं वसूली के लिए भी शाखाओं को कम्प्यूटररीकृत करने एवं इसका टैली आधारित साफ्टवेयर डेवलप करने हेतु भी कार्यवाही की जा रही है जिसके लिए

टेली सॉफ्टवेयर की अधिकृत कम्पनी UV Systems & Softwares लखनऊ को सॉफ्टवेयर डेवलप करने के आदेश निर्गत किये जा चुके हैं तथा उनके द्वारा सॉफ्टवेयर डेवलप कर स्थापित कर दिया गया है जिस पर निगम की शाखा लखनऊ का डाटा डाला जा रहा है।

सहकारी आवास निर्माण एवं वित्त निगम की संशोधित उपविधि केन्द्रीय निबन्धक, कृषि मंत्रालय भारत सरकार द्वारा अनुमोदित की जा चुकी है। संशोधित उपविधि में क्रमांक-5ए-21 पर निगम को निर्माण एजेंसी के रूप में कार्य करने हेतु कार्यकलाप में सम्मिलित किया गया। शासन से लगातार इस हेतु पत्राचार/वार्ता की जा रही है।

उ.प्र. शासन के शासनादेश द्वारा सहकारी आवास निर्माण एवं वित्त निगम लि., (तत्कालीन आवास संघ) लखनऊ को प्रदेश के 12 जनपदों के विकास क्षेत्रों में स्थित सहकारी आवास समितियों के ले-आऊट प्लान स्वीकृत करने का अधिकार दिया गया। अभी तक कुल 64 सहकारी आवास समितियों द्वारा अपने ले-आऊट प्लान स्वीकृत करने हेतु प्रस्तुत किए गये हैं, जिसमें से अभी तक कुल 12 तलपट मानचित्र स्वीकृत किये गये हैं। शासन द्वारा तैयार की जा रही आवास नीति-2013 में सहकारिता के क्षेत्र को प्रोत्साहित करने के लिए निगम को उपरोक्तानुसार अधिकार दिये जाने हेतु सुझाव प्रेषित किये गये हैं।

उ.प्र. शासन द्वारा शासनादेश के तहत कुछ तहसीलों की कुल 656.49 एकड़ भूमि अधिग्रहण प्रस्ताव वर्ष 1998 में जिलाधिकारी लखनऊ को प्रेषित किया गया।

सहकारी आवास निर्माण एवं वित्त निगम लि. द्वारा अर्जन व्यय एवं अग्रिम प्रतिकर के मद में 33.10 करोड़ की धनराशि जिलाधिकारी लखनऊ के पी.एल.ए. में जमा कराकर अर्जित समस्त भूमि का कब्जा वर्ष 2003 तक प्राप्त कर लिया गया। उक्त भूमि के विकास के लिए उ.प्र. राज्य औद्योगिक विकास निगम लखनऊ को दिनांक 21.01.14 को एक प्रस्ताव Joint venture हेतु प्रेषित किया गया है जिस पर सैद्धान्तिक रूप से UPSIDC के बोर्ड द्वारा सहमति प्रकट की गयी है तथा कतिपय बिन्दुओं पर स्थिति स्पष्ट करने हेतु कहा गया है। उक्त के संदर्भ में मुख्य सचिव, उ.प्र. शासन स्तर पर दिनांक 09.05.2015 को एक बैठक भ्जी सम्पन्न हो चुकी है एवं निर्णयानुसार पूर्वी विहार योजना तथा UPSIDC की पूर्व से देवा रोड स्थित औद्योगिक योजना के बीच की भूमि को सम्मिलित करते हुये UPSIDC द्वारा एक वृहत योजना औद्योगिक एवं आवासीय उपयोग हेतु तैयार की जायेगी जिसमें पूर्वी विहार योजना का भी समावेश रहेगा। UPSIDC

द्वारा इसका Layout Plan तैयार कराया जा रहा है तथा सम्पूर्ण क्षेत्र की विज्ञप्तियां UPSIDC द्वारा जारी होने के उपरांत एम.ओ.यू. निष्पादित कर योजना के क्रियान्वयन करने की कार्यवाही की जायेगी। उ.प्र. में नयी सरकार गठन के उपरांत मुख्य सचिव एवं मा. मुख्यमंत्री से उक्त योजना को शीघ्र क्रियान्वित कराने के लिए निर्देशित करने हेतु अनुरोध किया गया है। योजना के वित्तीय संसाधन जुटाने हेतु राष्ट्रीय सहकारी विकास निगम से कार्यशील पूंजी प्राप्त करने हेतु प्रस्ताव प्रेषित किया गया है जिस पर उनके द्वारा सैद्धान्तिक सहमति दी जा चुकी है।

निगम में बकाया ऋण की वसूली के लिए लाभार्थी की बंधक रखी गयी सम्पत्ति की नीलामी करने का प्रावधान है। उक्त कार्य सुचारु रूप से सम्पादित करने हेतु निगम में नीलामी नियमावली तैयार की गयी है एवं लागू की गयी है। इसके अतिरिक्त पूर्व में निर्गत वसूली प्रमाण पत्रों हेतु राजस्व अवशेष के रूप में भी वसूली की कार्यवाही भी की जा रही है। निगम द्वारा वसूली को बढ़ाने के लिये विभिन्न कार्यवाहियों को सम्पादित किया गया है।

सहकारी संस्थाएँ वर्तमान में आरम्भिक काल के स्वैच्छिक संगठनों की तुलना में अधिक व्यवस्थित और व्यावसायिक क्षमता से युक्त हो पाई है। अतः इससे संलग्न कार्यकर्ताओं के प्रशिक्षण की नितान्त आवश्यकता है। सहकारी आवास संस्थाओं के तकनीकी और वित्तीय पक्षों को देखते हुये यह आवश्यकता और अधिक बढ़ जाती है। सहकारिता की सामान्य तौर पर तथा आवास समितियों की जानकारी विशेष रूप से सुलभ न होने के कारण संस्थाओं की कार्यप्रणाली में ऐसे दोष आ जाते हैं, जिनका परिमार्जन बाद में नहीं हो पाता है। अतः सहकारी आवास समितियों व निगम के कर्मचारियों को सहकारी सिद्धांतों, सहकारी विधान, लेखा प्रणाली, ऋण वितरण व्यवस्था एवं कम्प्यूटर इत्यादि की जानकारी संस्था के व्यवस्थित संचालन व व्यावसायिक क्षमता में सुधार हेतु विभिन्न प्रशिक्षण संस्थान एवं राष्ट्रीय सहकारी आवास संघ के सहयोग से प्रशिक्षण दिलाया जाता रहा है।

निगम द्वारा वर्ष 2014-15 में विभिन्न जनपदों में खनन की निविदाएँ डाली गई थीं परन्तु मा. उच्चतम न्यायालय में एस.एल.पी. लम्बित होने के कारण कार्यवाही स्थगित रही। इसके उपरांत मा. उच्चतम न्यायालय द्वारा पारित निर्णय के अनुपालन में शासन द्वारा जारी विज्ञप्ति के क्रम में वर्ष 2015-16 में निगम द्वारा खनन कार्य हेतु 12 क्षेत्रों के लिए निविदाएँ डाली गयी थीं जिसमें 7-8 स्थानों की निविदा सर्वोच्च थी जिनमें 31.03.2016 तक रु. 846.25 लाख विभिन्न जनपदों के

जिलाधिकारियों के नाम निविदा की धनराशि जमा की गई थी। मा. उच्चतम न्यायालय द्वारा पारित आदेश के अनुपालन में निगम को उपरोक्त समस्त धनराशि वापस प्राप्त हो गयी। पुनः नई निविदायें (अल्पकाल 06 माह हेतु) आमंत्रित की गयी थीं जिसमें निगम द्वारा 05 जनपदों में निविदायें डाली गयीं जिनमें से जिलाधिकारी, बाराबंकी कार्यालय द्वारा जनपद बाराबंकी हेतु तहसील सिरौलीगौसपुर ग्रामी हुसैनपुर क्षेत्रफल 11.12 एकड़ में निगम की ओर से डाली गयी निविदा में निगम की सर्वोच्च बोली होने के कारण उक्त क्षेत्र के बालू खनन कार्य हेतु निगम के पक्ष में निविदा स्वीकृत हो गयी है जो दिनांक 21.06.2017 से 20.12.2017 तक मान्य है। निगम द्वारा भविष्य में दीर्घकालीन निविदाओं में भाग लिया जा रहा है।
