About National Cooperative Union of India

The National Cooperative Union of India (NCUI) was established in 1929 as All India Cooperative Institutes Association and transitioned to its current form in 1961. Since inception, the organization has grown manifold in terms of its activities and programs and now represents 296 member institutions across the nation. The goal of the NCUI is to promote and develop the cooperative movement in India, to educate, guide and assist the people in their efforts, to build up and expand the cooperative sector and to serve as an exponent of cooperative opinion in accordance with cooperative principles. The organization response across decades, has recognized the evolving societal context to ensure that it continues to make relevant and meaningful contributions to the Indian cooperative movement and is among the torchbearers of the cooperative movement in the country. One of the key objectives of the NCUI is to organise cooperative education and training programmes and popularise the principles and practices of cooperation. This objective of the NCUI is met through the National Centre for Cooperative Education.

About National Centre for Cooperative Education

The National Centre for Cooperative Education (NCCE) was set up in 1958 to address the need for systemic cooperative education for practitioners in the cooperative movement. The NCCE came into being as the "All India Cooperative Instructors Training Centre" in 1958. It has since expanded its mandate from building capacity of trainers to conduct member education programs, to an institution that is designing and implementing training interventions to support the gamut of needs of cooperative institutions. NCCE has successfully managed training interventions for managerial personnel across levels for district, state, and national co-operatives in diversified geographies and for widely varying activities. The organization offers a range of training solutions to include diploma courses, leadership development programs, programs to train faculty of other cooperative education institutions as well as other programmes listed below:

- Diploma Programme in Cooperative Education and Development (3 months) for Indian and overseas participants.
